HISTORICAL OVERVIEW

THE PAST

The University of Tennessee has grown from a small liberal arts college to its present status as the oldest and largest campus of the multi-campus state university and as a land-grant institution. Knoxville was the birth place of the university, and until early in the last century, the history of the Knoxville campus was the history of the University of Tennessee.

The 28th oldest institution of higher learning in the United States, the University of Tennessee traces its beginnings to the era when George Washington was President and Tennessee was still a territory. The original institution was Blount College, founded in 1794, two years before Tennessee attained statehood. Named for territorial governor, William Blount, the college was strictly nonsectarian. Early in the nineteenth century it was opened to women, a policy which was revoked after a few years, only to be revived on a permanent basis in 1893. In 1826, the college moved from its first location on Gay Street in downtown Knoxville to a 40-acre tract, named “Barbara Hill” in honor of Governor Blount’s daughter. Today this small tract, known to students and alumni as “The Hill,” is only a small part of the university’s campus.

The transformation of the institution into “East Tennessee College” in 1807 resulted from the receipt of a grant of public land from the state, as provided for in an 1806 act of the U.S. Congress. In 1840, the state legislature widened the scope of the institution by changing its name to East Tennessee University. Not until after the Civil War did the university begin to acquire its present character. In 1869, the legislature selected East Tennessee University as Tennessee’s Federal Land-Grant Institution. Funds from the federal government obtained from the sale of public land enabled the institution to broaden its offerings from a base of classical and scientific studies to include “the practical education of the industrial classes in the several pursuits and professions of life.”

Two years later, the legislature made this institution the state university and changed the name to The University of Tennessee, reflecting its status as the capstone of the state’s public education system. Since that time, the university has grown steadily to become statewide in its physical location as well as its services. The establishment of campuses in other regions of the state began early in the Twentieth Century.

THE PRESENT

The University of Tennessee ranks among the nation’s top public research institutions. Since 1897, the university has been continuously accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master’s, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of the University of Tennessee, Knoxville. The university has a total enrollment of approximately 29,000 and an annual research budget of nearly $250 million.

The University of Tennessee’s land-grant mission is to discover and disseminate new knowledge through scholarship, teaching, and outreach. This mission is greatly enhanced by UT’s unique relationship with Oak Ridge National Laboratory, the nation’s largest federal research lab. The University and Battelle Memorial Institute of Columbus, Ohio, jointly manage the laboratory through UT-Battelle LLC.

Using a complex funding formula involving state funding, research contracts and grants, private gifts, partnerships with public and private organizations, and internal reallocation, the university continues to enhance its academic, research, and outreach programs. The overarching goal is to keep more of Tennessee’s finest students in the state, attract and retain outstanding teachers and researchers, and stimulate the economic development of Tennessee.

The Chancellor is the chief executive officer in Knoxville, reporting to the President of the University. The Vice Chancellor for Student Life and the Vice Chancellor for Finance and Administration have responsibility for activities and services beyond the classroom. Because of the importance of these functions to students’ lives on campus, these areas will be described in detail in the following sections of this publication.
INTRODUCTION

Students at the University of Tennessee at Knoxville are members of both the University community and the larger community of which the University is a part. Accordingly, students are responsible for conducting themselves in a lawful manner and in compliance with University rules and policies. The University has established the following rules in order to advance the mission of the University by maintaining a safe and secure learning environment; protecting the rights and privileges of all members of the University community; providing a basis for orderly conduct of the affairs of the University; promoting a positive relationship between the University and its surrounding community; preserving institutional integrity and property; encouraging students to engage in conduct that brings credit to themselves and the University; and ensuring that each student who matriculates at the University graduates ready to contribute to society as an ethical and law-abiding citizen.

The University of Tennessee is committed to respecting students’ constitutional rights. Nothing in this chapter is intended or shall be interpreted to restrict students’ constitutional rights, including, but not limited to, rights of freedom of speech and assembly.

Students are responsible for being fully acquainted and for complying with the University catalog, handbook, and other rules and policies relating to students. Failure or refusal to comply with the rules and policies established by the University may subject a student to disciplinary action up to and including permanent dismissal from the University.

PRINCIPLES OF CIVILITY AND COMMUNITY

In 2011, the university adopted the Principles of Civility and Community. They are designed to work in concert with all existing codes of conduct. The principles encourage all members of the campus community to foster a learning environment where the differences of our diverse culture are valued, respected and celebrated. Civility is an act of showing regard and respect for others including: politeness, consideration, tact, good manners, graciousness, cordiality, affability, amiability and courteousness. Ultimately, civility is treating others as we would like to be treated. Our community consists of students, faculty, staff, alumni, parents of UTK students and campus visitors. Community members affect each others’ well-being and have a shared interest in creating and sustaining an environment where all community members and their points of view are valued and respected.

By affirming the value of each member of the university community, the campus asks that all its members adhere by the following principles:

- **INCLUSIVITY** - We are welcoming to all and hostile to none. We foster an open community in which educational goals may be pursued.
- **DIVERSITY** - We respect the diverse backgrounds of all members of our community and welcome the opportunity for interpersonal and group interactions.
- **DIALOGUE** - We value, encourage, and facilitate free exchange of diverse ideas and points-of-view along with free speech and expression. However, we discourage uncivil speech or expression that infringes upon the ability of others to express themselves.
- **COLLEGIALITY** - We value an environment that facilitates collegial relationships, encourages mutual understanding among diverse individuals, and leads to addressing issues and differences in an atmosphere of mutual respect and civility.
- **RESPECT** - We believe that a person’s views, ideas, and behavior best reflect the goals of the academic community when the dignity of each individual is respected and when members of the community are considerate of the feelings, circumstances, and individuality of others.
- **KNOWLEDGE** - We encourage development of a civil community that values critical inquiry, debate, discovery, and innovation to better the world through teaching, research and service.
- **INTEGRITY** - We value academic honesty and integrity by all members of the academic community.
- **LEARNING** - We believe that learning is an interpersonal growth experience that fosters appreciation for diversity.
- **AWARENESS** - We believe it is important to recognize how others view and relate to the community and recognize that we are part of a larger community.
- **RESPONSIVENESS** - We encourage all community members to speak out against incidents involving bigotry and other types of incivility so the university can fulfill its responsibility of responding in a fair, timely and consistent fashion.
RESOURCES FOR STUDENT QUESTIONS AND CONCERNS

Students who have questions or concerns about any aspect of academic course work or campus life are encouraged to seek clarification and prompt assistance through appropriate university channels. The resources listed below are available to address student needs.

ACADEMIC COURSEWORK AND ADVISING

Questions or concerns related to grades or academic coursework should first be addressed with the course instructor. If the issue is not resolved, then the appropriate department head, and finally the dean of the college in which the course is offered should be consulted. If an appropriate solution cannot be reached through discussions with these individuals, the staff of the Student Success Center (for undergraduate students) or Graduate School (for graduate students) can offer assistance regarding the best process for resolution. Concerns related to academic advising should be addressed first with the advisor, then the director of the appropriate advising center, and finally the dean of the appropriate college.

CAMPUS LIFE

All questions or concerns related to campus life or student organizations should be directed to the Office of the Dean of Students. Staff in this office will provide information, assist in resolving a problem, or identify the appropriate channel of appeal.

CAMPUS RESOURCES

Students who are uncertain about how to initiate the process of resolving a question or concern may contact the Office of the Dean of Students (865-974-3179), the Student Success Center (865-974-6641), or Graduate School (865-974-2475) for assistance in determining the appropriate administrative channel of appeal.

Staff members in the following offices provide support and guidance for students who are seeking resolution of university-related concerns. Staff will explore issues expressed by individual students, inform them of appropriate administrative channels to use for proper resolution, and will work to address the broader issues and policies surrounding the issues addressed. Each office is open from 8:00 am-5:00 pm Monday through Friday. Students are encouraged to visit any of these offices in order to ask questions, share concerns, or ask for assistance.

The SSC educates students about an array of opportunities available to enhance their educational experiences. The center is directly responsible for the administration of UT LEAD, Supplemental Instruction, Tutoring Programs, and Academic Coaching. In addition, the Center works with the Undergraduate Council to assist in the administration of appeals for academic dismissals, grade appeals that have gone through the college dean’s level, readmission of students who were academically dismissed after previous enrollment at UT, and retroactive withdrawal appeals for individual courses.

Graduate School
111 Student Services Building, 865-974-2475

This office is available to assist graduate students who experience difficulties or have concerns related to their graduate programs.

Office of the Dean of Students
413 Student Services Building, 865-974-3179

The Office of the Dean of Students sponsors and coordinates activities that focus on student growth and development. The office advocates on behalf of all students, supplements existing channels of appeal, and helps students resolve a variety of concerns. The Office of the Dean of Students is composed of: Center for Leadership and Service, Sorority and Fraternity Life, Center for Student Engagement and Student Media.

Office of Equity and Diversity
1840 Melrose Avenue, 865-974-2498

The Office of Equity and Diversity (OED) serves the campus in two primary roles. First, OED provides leadership, resources, services and support to the university community for the enhancement of diversity programs campus-wide. Second, OED fulfills an important compliance function by working under the various legal mandates set out by state and federal law and university policies as they relate to civil rights, equal employment and affirmative action.
STUDENT RIGHTS
AND RESPONSIBILITIES

Jurisdiction

(1) The Standards of Conduct apply to conduct that occurs on University-controlled property.

(2) The University also has the discretion to discipline a student for an act in violation of the Standards of Conduct that occurs off University-controlled property if the conduct adversely affects the interests of the University, including, but not limited to, conduct which:

   (a) Occurs in connection with a University-affiliated activity, including, but not limited to, an overseas study program or a clinical, field, internship, or in-service experience;

   (b) Involves another member of the University community; or

   (c) Threatens, or indicates that the student may pose a threat to, the health or safety of him/herself or others or the security of any person’s property, including, but not limited to, alcohol-related offenses, drug-related offenses, arson, battery, fraud, hazing, participation in group violence, rape, sexual assault or misconduct, stalking, and theft.

(3) The Standards of Conduct have been adopted in furtherance of the University’s interests and serve to supplement, rather than substitute for, the enforcement of the civil and criminal law. Accordingly, University disciplinary action may be instituted against a student charged with conduct that potentially violates both the criminal law and the Standards of Conduct without regard to the pendency of criminal charges or civil litigation. At the discretion of the Vice Chancellor for Student Life, or his/her designee, disciplinary action relating to a violation of the Standards of Conduct may be carried out prior to, simultaneously with, or following criminal proceedings. Students accused of violating the Standards of Conduct may not challenge the University disciplinary proceedings on the grounds that criminal charges, civil litigation, or other University proceedings regarding the same incident are pending or have been terminated, dismissed, reduced, or not yet adjudicated.

(4) Each student shall be responsible for his/her conduct from the time of application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if conduct is not discovered by the University until after a degree is awarded). Should a student withdraw from the University with disciplinary charges pending, the student’s academic record and/or ability to register for classes may be encumbered by the appropriate University office.

(5) Graduate or professional programs within the University may initiate charges against students for alleged violations of professional standards or ethics as a separate issue or as an extension of alleged acts of academic dishonesty or other violations of the Standards of Conduct.

Fundamental Rights of the Accused

Students and student organizations charged with violating the Standards of Conduct are entitled to the following rights under the University of Tennessee at Knoxville’s student conduct system:

(1) Notice of charge(s), account of the alleged misconduct, witnesses, and notice of the scheduled hearing delivered seventy-two (72) hours before the hearing. The student may request additional time by showing good cause.

(2) Notice of the maximum allowable penalty (i.e., permanent dismissal).

(3) The right to a hearing closed to the public.

(4) The right to: (i) a non-adversarial hearing before the Director of Student Conduct & Community Standards or his/her designee; or (ii) an adversarial hearing before a University hearing board with jurisdiction.

(5) The right to be assisted by a Judicial Advisors** before a University hearing board. If an adversarial criminal proceeding has been initiated against a student (e.g., a criminal charge or indictment) arising out of the same conduct at issue in the disciplinary hearing, then the student also has a right to have an attorney present during the hearing before a University hearing board. The attorney’s role shall be limited to advising the student about answering questions that may be self-incriminating.

**Judicial Advisors = Student Conduct Assistants
(6) Testify or remain silent in a University hearing at his/her option. However, a University hearing board is not prohibited from drawing an adverse inference against a student if the student remains silent or refuses to attend a disciplinary hearing or testify in response to evidence offered against him/her. A University hearing board shall not base its decision solely on a student’s failure to attend a hearing or a student’s refusal to testify or remain silent.

(7) Present the testimony of witnesses and other evidence.

(8) The presumption of innocence. The burden of proof rests with the University, such that the University must prove the student’s guilt by a preponderance of the evidence.

(9) A written decision specifying the rule violated, penalty assessed, and right of appeal.

(10) Challenge the seating of any board member for good cause. The dismissal of a challenged hearing board member shall be at the discretion of the hearing board chairperson. If the chairperson is challenged, he/she may be excused at the discretion of the majority of the hearing board.

(11) Have his/her case heard only on the misconduct specified in the written notice.

(12) Challenge the admissibility of evidence.

(13) Cross-examine all available adverse witnesses.

(14) Appeal the decision of a University disciplinary board in accordance with “Appeal and Scope of Review” as detailed herein.

In cases involving a complaint of sexual assault or misconduct, the alleged victim shall have the right to:

(1) Notice concerning the process by which the University will handle the complaint and an opportunity to ask questions about the process;

(2) A prompt, thorough, and impartial investigation of the complaint;

(3) The same opportunity as the accused student to present his/her explanation of the facts during the University’s investigation;

(4) Have the investigation of the complaint concluded within sixty (60) days of the University’s receipt of a complaint, unless circumstances make it impracticable for the University to complete its investigation within that timeframe;

(5) Notice of the outcome of the University’s investigation;

(6) Have a disciplinary hearing conducted within thirty (30) days of a University charge that the accused student committed sexual assault or misconduct, unless circumstances make it impracticable for the University to conduct a hearing within that timeframe;

(7) Notice of the date, time, and location of the disciplinary hearing, the right to have the disciplinary hearing closed to the public, and the right to request rescheduling of the hearing for good cause;

(8) The same access as the accused student to any information or documents that will be used by the University during the disciplinary hearing, unless prohibited by law;

(9) Challenge the seating of any disciplinary board member for good cause, which will be determined at the discretion of the chairperson of the hearing board, or, if the seating of the chairperson is challenged, then at the discretion of the majority of the hearing board;

(10) Be accompanied by a person, other than a Student Conduct Assistant, of his/her choosing during the University’s investigation or a disciplinary hearing, but the person shall not be permitted to speak for the victim during a disciplinary hearing;

(11) The same opportunity as the accused student to be present during the hearing, present witnesses and other evidence through a Student Conduct Assistant, challenge the admissibility of evidence through a Student Conduct Assistant, and cross-examine adverse witnesses through a Student Conduct Assistant during the disciplinary hearing;

(12) Testify or remain silent in a hearing at his/her option;

(13) Not to be questioned directly by the accused student during the disciplinary hearing;

(14) Submit a written impact statement to the Student Disciplinary Board for consideration of the sanctioning
phase of the disciplinary hearing, if the accused student is found guilty of the charges against him/her, or to the Office of Student Judicial Affairs* for consideration during the sanctioning phase of the administrative hearing, if the accused student pleads guilty to the charges against him/her;

(15) Notice of the decision of the Student Disciplinary Board or the outcome of an administrative hearing within three (3) business days of the hearing; and

(16) Appeal the decision of a University disciplinary board in accordance with “Appeal and Scope of Review” for sexual assault or misconduct cases as detailed herein.

As an alternative to the procedures described in the “Fundamental Rights of the Accused,” any student or student organization whose legal rights, duties or privileges are required by any statute or constitutional provision to be determined after an opportunity for a hearing shall be afforded that opportunity for hearing in accordance with the Tennessee Uniform Administrative Procedures Act, T.C.A. § 4-5-301, et seq. The University’s procedures for conducting contested case hearings under the Tennessee Uniform Administrative Procedures Act are contained in Chapter 1720-01-05 of the Rules of the University of Tennessee, and the University’s rules concerning waivers of contested case hearings are contained in Chapter 1720-01-03 of the Rules of the University of Tennessee.

**Standards of Conduct**

A student or student organization may be disciplined for the following types of misconduct:

(1) Cheating, plagiarism, or any other act of academic dishonesty, including, but not limited to, an act in violation of the Honor Statement.

(2) Providing false information to a University official.

(3) Falsifying, distorting, misrepresenting, or withholding information in connection with a University investigation or hearing.

(4) Forging, altering, destroying, falsifying, or misusing records, identification, or documents, whether in print or electronic form.

(6) Harassment, which is defined as unwelcome conduct that is so severe or pervasive, and objectively offensive, that it substantially interferes with the ability of a person to work, learn, live, or participate in or benefit from the services, activities, or privileges provided by the University. In no event shall this rule be construed to discipline a student for speech protected by the First Amendment to the United States Constitution (e.g., mere insulting or offensive speech).

(7) Engaging in Sexual Misconduct, Relationship Violence, and/or Retaliation. The terms “Sexual Misconduct,” “Relationship Violence,” and “Retaliation” are defined in the University policy titled, “Sexual Misconduct and Relationship Violence: Interim Policy, Procedures, Resources, and Programs,” a copy of which can be found at http://sexualassualt.utk.edu.

(8) Invasion of another person’s privacy when that person has a reasonable expectation of privacy, including, but not limited to, using electronic or other means to make a video or photographic record of any person in a location in which the person has a reasonable expectation of privacy, without the person’s knowledge or consent. (20) Providing an alcoholic beverage to a person younger than twenty-one (21) years of age, unless permitted by law.

(21) Using, manufacturing, possessing, distributing, dispensing, selling, or being under the influence of drugs or drug paraphernalia, if prohibited by federal, state, or local law; using or possessing a prescription drug if the prescription was not issued to the student; or distributing or selling a prescription drug to a person to whom the prescription was not originally issued.

(22) Failing to pay a University bill, account, or other University financial obligation.

(23) Failing to respond to a request to report to a University administrative office; failing to comply with a lawful directive of a University employee or other public official acting within the scope of his/her duties; or failing to identify oneself to a University employee or other public official acting within the scope of his/her duties when requested to do so.

(27) Violating a University policy or rule, including but not limited to University policies or rules relating to facilities use, smoking, the acceptable use of information technology resources, research or service misconduct, finder’s fees relating to clinical investigations involving human subjects or access to University data or materials, University libraries, dining services, parking or transportation, University identification card use, sexual harassment, residence halls, and registered student organizations.

(28) Committing an act that is prohibited by local, state, or federal law.

(29) Attempting to commit a violation of a Standard of Conduct or being an accessory to the commission of an act or attempted act in violation of a Standard of Conduct.

**Sexual Misconduct and Relationship Violence**

The University has adopted an interim policy that addresses sexual assault, dating violence, domestic violence, and stalking. A copy of that policy, titled “Sexual Misconduct and Relationship Violence: Interim Policy, Procedures, Resources, and Programs,” can be found at http://sexualassualt.utk.edu. The interim policy describes prohibited conduct for students; explains multiple options for reporting sexual assault, dating violence, domestic violence, and stalking to the University; sets forth the procedures the University will follow for promptly, thoroughly, and equitable investigating and resolving reports of sexual assault, dating violence, domestic violence, and stalking in order to eliminate the misconduct, prevent its recurrence, and address its effect on a complainant or the University community; identifies resources for complainants; and describes the University’s prevention and awareness programs relating to sexual assault, dating violence, domestic violence, and stalking. In the event of a conflict between Hilltopics and the interim policy, the interim policy takes precedence and controls.

**Honor Statement**

An essential feature of the University of Tennessee at Knoxville is a commitment to maintaining an atmosphere of intellectual integrity and academic honesty. “As a student of the University, I pledge that I will neither knowingly give nor receive any inappropriate assistance in academic work, thus affirming my own personal commitment to honor and integrity.” A thorough understanding of the Honor Statement is essential to the success of the honor system. To facilitate implementation of the Honor Statement, the following avenues will be utilized:

1. The Honor Statement, with its attendant pledge, will appear on applications for admission (undergraduate and graduate); and applicants to the University will be required to acknowledge their affirmation by signing the document in a designated location.

2. Information regarding the Honor Statement will be included in the catalogs (undergraduate and graduate), Hilltopics, and in a brochure specifically addressing the Honor Statement.

3. The Honor Statement will be discussed during freshman, transfer, graduate student, and international student orientation programs.

4. A thorough discussion of the Honor Statement in freshmen English is encouraged.

5. Implementation methods and alternatives will be discussed during faculty orientation programs.

6. The Honor Statement is furthered by Standard of Conduct #1.

**Prohibited Conduct**

1. The Honor Statement prohibits cheating, plagiarism, and any other type of academic dishonesty.

2. Plagiarism is using the intellectual property or product of someone else without giving proper credit. The undocumented use of someone else’s words or ideas in any medium of communication (unless such information is recognized as common knowledge) is a serious offense, subject to disciplinary action that may include failure in a course and/or dismissal from the university. Specific examples of plagiarism include, but are not limited to:
(a) Using without proper documentation (quotation marks and a citation) written or spoken words, phrases, or sentences from any source;

(b) Summarizing without proper documentation (usually a citation) ideas from another source (unless such information is recognized as common knowledge);

(c) Borrowing facts, statistics, graphs, pictorial representations, or phrases without acknowledging the source (unless such information is recognized as common knowledge);

(d) Collaborating on a graded assignment without the instructor’s approval; and

(e) Submitting work, either in whole or in part, created by a professional service and used without attribution (e.g., paper, speech, bibliography, or photograph).

3) Specific examples of other types of academic dishonesty include, but are not limited to:

(a) Providing or receiving unauthorized information during an examination or academic assignment, or the possession and/or use of unauthorized materials during an examination or academic assignment;

(b) Providing or receiving unauthorized assistance in connection with laboratory work, field work, scholarship, or another academic assignment;

(c) Falsifying, fabricating, or misrepresenting data, laboratory results, research results, citations, or other information in connection with an academic assignment;

(d) Serving as, or enlisting the assistance of, a substitute for a student in the taking of an examination or the performance of an academic assignment;

(e) Altering grades, answers, or marks in an effort to change the earned grade or credit;

(f) Submitting without authorization the same assignment for credit in more than one course;

(g) Forging the signature of another or allowing forgery by another on any class or University-related document such as a class roll or drop/add sheet;

(h) Failing to observe the expressed procedures or instructions relating to an exam or academic assignment; and

(i) Engaging in an activity that unfairly places another student at a disadvantage, such as taking, hiding, or altering resource material, or manipulating a grading system.

Responsibilities

(1) All groups within the University community have responsibilities associated with the Honor Statement. These responsibilities are unique to each sector of the University community.

(2) Student Responsibilities. Each student is responsible for his/her own personal integrity in academic life. While there is no affirmative duty to report the academic dishonesty of another, each student, given the dictates of his/her own conscience, may choose to act on any violation of the Honor Statement. Each student is responsible for knowing and adhering to the terms and conditions of the Honor Statement and may acknowledge his/her adherence to the Honor Statement by writing “Pledged” and signing each graded class assignment and examination.

(3) Instructor Responsibilities. Regulation of academic dishonesty is the immediate responsibility of the instructor. However, students are not excused from complying with the Honor Statement because of an instructor’s failure to prevent or discourage academic dishonesty.

Process

(1) When an act of alleged academic dishonesty is discovered by or brought to the attention of an instructor, the instructor shall inform the student orally or in writing about the alleged academic dishonesty, describe the evidence supporting the allegation, and give the student an informal opportunity to respond to the allegation(s) and evidence. The instructor may proceed with imposing an academic penalty for academic dishonesty if the student has not responded to the instructor’s notice to the student concerning the alleged academic dishonesty.

(2) After giving the student notice and an informal opportunity to respond, if the instructor concludes that the student engaged in academic dishonesty, then the instructor may take any or all of the following actions:

(a) Impose an academic penalty of a failing or reduced grade in an academic exercise, assignment, examination, and/or course; loss of credit for the work
involved; an assignment to repeat the work, to be graded on its merits; or an oral or written reprimand.

i. If the instructor decides to impose an academic penalty, then the instructor shall notify the student of the charges, evidence, findings, penalties imposed, and the procedures to appeal the findings and/or penalties. The notice should be countersigned by the department head.

ii. Copies of the notice to the student shall be submitted to the Office of Student Judicial Affairs*, the administrative head of the instructor’s academic unit, and, where different, the head of the academic unit in which the student is enrolled.

iii. After receiving notice from the instructor, the Office of Student Judicial Affairs* shall provide the student with notice and information relating to an appeal of the instructor’s findings of academic dishonesty and/or academic penalties.

(b) Request that the Office of Student Judicial Affairs* charge the student with violating Standard of Conduct #1, and impose one or more of the disciplinary penalties described in “Penalties” as detailed herein. The instructor is not required to notify a student that a request has been made to the Office of Student Judicial Affairs*.

(3) The Office of Student Judicial Affairs* is responsible for determining whether to charge a student with violating Standard of Conduct #1. The decision of the Office of Student Judicial Affairs* not to charge a student with violating Standard of Conduct #1 may not be used by the student to support an appeal of an academic penalty imposed by the instructor. The Office of Student Judicial Affairs* may charge a student with violating Standard of Conduct #1 regardless of the response of the instructor to the alleged academic dishonesty.

(4) If a student denies a charge of academic dishonesty made by an instructor and/or the Office of Student Judicial Affairs*, and/or if the student does not accept the academic penalties imposed by the instructor and/or the penalties recommended by the Office of Student Judicial Affairs*, then the student may appeal to the appropriate Academic Review Board within seven (7) days of the date of the notice of the academic penalty or disciplinary charge, whichever occurs later. If the student does not file a timely notice of appeal, then the determination of academic dishonesty and the recommended academic penalty and/or disciplinary penalty become final.

The University of Tennessee College of Law has adopted and promulgated its own Code of Academic Conduct, contained in the Rules of the University of Tennessee, which governs academic dishonesty by students enrolled in the College of Law and controls in the event of a conflict between this section and the relevant section contained in the Rules of the University of Tennessee.

Penalties

Disciplinary penalties are primarily intended to educate students and student organizations about appropriate behavior, encourage students and student organizations to take responsibility for misconduct, promote the personal and professional development of students, discourage other students and student organizations from violating the Standards of Conduct, and protect members of the University community. The penalties imposed should be appropriate for the particular case based on the gravity of the offense (including without limitation how the violation affected or reasonably could have affected other members of the University community). Consideration may also be given to the student’s or student organization’s conduct record; the student’s or student organization’s responsiveness to the conduct process; whether the student acted in self-defense, and, if so, whether the amount of force used was reasonable under the circumstances; student academic classification; and other aggravating or mitigating factors.

Student Penalties

The following penalties may be imposed on any student found to have violated the Standards of Conduct:

(1) Warning. A warning is a notice that the student is violating or has violated the Standards of Conduct.

(2) Loss of Privilege. A loss of privilege is intended to serve as a reminder of the Standards of Conduct and is for a specific period of time. Privileges that may be lost include, but are not limited to, scholarships, stipends, participation in extracurricular activities (e.g. intramurals), housing privileges, participation in social activities, and use of certain University-controlled property (e.g., information technology resources).
(3) Education. Students may be required to attend classes, at their own expense, dealing with issues such as the consequences of alcohol or drug use, civility, ethics, or other topics as deemed appropriate by the Vice Chancellor for Student Life or his/her designee.

(4) Restitution. Restitution may be required in situations that involve destruction, damage, or loss of property, or unreimbursed medical expenses resulting from physical injury. Restitution may take the form of a monetary payment or appropriate service to repair or otherwise compensate for the destruction, damage, or loss.

(5) Disciplinary Reprimand. A disciplinary reprimand is used for minor violations of the Standards of Conduct. A reprimand indicates that further violations will result in more severe disciplinary actions.

(6) Disciplinary Probation. Disciplinary probation permits a student to remain at the University on probationary status but with the understanding that a future violation of the Standards of Conduct may result in suspension. Probation may be for a defined or indefinite period. Other conditions of probation are specific to each individual case and may include a requirement of community service or other requirement or restriction.

(7) Suspension for a Specific Period of Time. Suspension for a specific period of time means that the student is withdrawn from the University and is not eligible to apply for readmission for a designated period of time. Usually, the period of designated suspension does not exceed one (1) calendar year. Upon return to the University following a suspension for a specific period of time, the student may be placed on indefinite disciplinary probation.

(8) Indefinite Suspension. Indefinite suspension is imposed in cases of serious or repeated misconduct or in cases in which the prognosis for rehabilitation is uncertain. Indefinite suspension means that the student is withdrawn from the University for an unspecified period of time but typically for a minimum of one (1) calendar year from the effective date of the indefinite suspension. A student who receives the penalty of indefinite suspension is not eligible to apply for readmission until the student successfully petitions the Student Life Council to lift the suspension. The student will be expected to meet regularly with the Assistant Vice Chancellor, or his/her designee, throughout the period of indefinite suspension. At a minimum, the student is expected to contact and begin meeting regularly with the Dean of Students, or his/her designee, at least fifteen (15) weeks prior to the semester for which the student desires to be readmitted to the University. Upon return to the University following an indefinite suspension, the student shall be placed on indefinite disciplinary probation.

(9) Permanent Dismissal. Permanent dismissal means that a student is permanently barred from matriculating as a student at the University of Tennessee at Knoxville. This penalty is used when the violation of one (1) or more of the Standards of Conduct is deemed so serious as to warrant total and permanent disassociation from the University community without the possibility of re-enrollment; or when, by his/her repeated violation of the Standards of Conduct, a student exhibits blatant disregard for the health and safety of other members of the University community or the University’s right to establish rules of conduct. If a disciplinary hearing board desires to impose permanent dismissal, then the board shall communicate a recommendation of permanent dismissal to the Vice Chancellor for Student Life. In the event a recommendation of permanent dismissal is not approved by the Vice Chancellor for Student Life, he/she may substitute any less severe penalty; if probation is substituted, it may be for a greater period than the period specified for suspension. The Vice Chancellor for Student Life shall notify the Director of Student Conduct & Community Standards when a recommendation for permanent dismissal is not approved.

(10) Revocation of Degree. Revocation of a degree means revoking a degree already awarded to a student by the University. If a disciplinary hearing board desires to revoke a degree, then the board shall communicate the recommendation to the Vice Chancellor for Student Life, who shall either accept or reject the recommendation. Revocation of a degree shall be approved by the University of Tennessee Board of Trustees.

The following penalties, by themselves, do not create a disciplinary record for a student in the Office of Student Judicial Affairs* for purposes of reporting a student’s conduct history: (a) warning; (b) loss of privilege; (c) education; and (d) restitution. However, those penalties may be considered as part of a student’s conduct history for purposes of determining what penalty should be imposed for a future disciplinary offense.

* Office of Student Judicial Affairs = Office of Student Conduct & Community Standards
A disciplinary hold may be placed on a student’s account until the completion of the student disciplinary process and/or until the student satisfies the terms and conditions of any penalties imposed. A student who, at the time of commencement, is subject to a continuing disciplinary penalty or an unresolved disciplinary charge shall not be awarded a degree before the conclusion of all penalties and/or resolution of all disciplinary charges.

**Student Organization Penalties**

The following penalties may be imposed on a student organization found to have violated the Standards of Conduct:

(1) Warning. A warning is a notice that the student organization is violating or has violated the Standards of Conduct.

(2) Education. Student organizations or their representatives may be required to attend classes, at their own expense, dealing with issues such as the consequences of alcohol or drug use, civility, ethics, or other topics as deemed appropriate by the Vice Chancellor for Student Life or his/her designee.

(3) Loss of Privilege. A loss of privilege is intended to serve as a reminder of the Standards of Conduct and is for a specific period of time. Examples of privileges that may be lost include participating in extracurricular activities (e.g., intramurals), housing privileges, participating in social activities, and using certain University-controlled property.

(4) Restitution. Restitution may be required in situations that involve destruction, damage, or loss of property, or unreimbursed medical expenses resulting from physical injury. Restitution may take the form of a monetary payment or appropriate service to repair or otherwise compensate for the destruction, damage, or loss.

(5) Social Probation. Social probation prohibits a student organization from sponsoring or participating in specified social activities. While on social probation, a student organization may not host social events (e.g., mixers, date parties, formals, and band parties) or participate in University-affiliated activities (e.g., Homecoming, All Sing, Carnicus, intramurals). Any exceptions to social probation must be approved, in advance, by the Vice Chancellor for Student Life or his/her designee.

(6) Disciplinary Probation. Disciplinary probation means that a student organization is permitted to retain University registration on a probationary status. Violation of the Standards of Conduct during the period of disciplinary probation may result in more serious penalties, including revocation of University registration.

(7) Revocation of University Registration. In cases of serious or repeated misconduct, a student organization’s University registration may be revoked. More than one (1) of the penalties listed above may be imposed for any single violation of the Standards of Conduct.

Except for an interim suspension, disciplinary penalties shall not become effective until after opportunities for appeal have been exhausted. Penalties may be applied retroactively to the date of the offense. Coursework performed while disciplinary charges are pending or disciplinary proceedings are underway shall be considered conditional. Coursework may be affected or disregarded based on a final finding of misconduct or the penalty imposed, which may result in loss of course credit, a loss of tuition and/or fees, a delay in the awarding of a degree, or revocation of a degree that was awarded prior to a final decision in the disciplinary proceeding.

Intoxication or impairment because of alcohol, drugs, chemicals, or other substances does not diminish or excuse a violation of the Standards of Conduct.

**No Contact Directive**

In cases involving allegations of assault, injury, sexual abuse, harassment, or in cases where there is reason to believe continued contact between a student/student organization and specific persons, including complainants and witnesses, may interfere with those persons’ security, safety or ability to participate effectively in work or studies, the Vice Chancellor for Student Life, or his/her designee, may require that the student/student organization not have verbal, physical, or written contact with specific persons for a definite or indefinite period of time. The student/student organization will receive notice of the no contact directive. Any student, faculty or staff member or other person with a reasonable justification may request that a no contact directive be issued to a student/student organization. In addition to an internal University no contact directive, complainants are advised that other similar options exist and can be obtained from law enforcement and civil and criminal courts.
Interim Suspension

When the Vice Chancellor for Student Life or his/her designee has reasonable cause to believe that a student’s or student organization’s continued presence on University-controlled property or at University-affiliated activities poses a significant risk of substantial harm to the health or safety of others or to property or poses an ongoing threat to the disruption of, or interference with, the normal operations of the University, the Vice Chancellor for Student Life or his/her designee may impose an interim suspension prior to the conclusion of a full hearing on the alleged misconduct.

An interim suspension shall be confirmed by notice to the student or student organization that explains the basis for the interim suspension and shall remain in effect until the conclusion of a full hearing in accordance with the rules of the University of Tennessee, which shall be held without undue delay. Within three (3) business days of the imposition of the suspension, the student or student organization shall be offered an opportunity to appear personally before the Vice Chancellor for Student Life or his/her designee in order to discuss the following issues only: (i) the reliability of the information concerning the student’s or student organization’s conduct; and (ii) whether the conduct and surrounding circumstances reasonably indicate that the student’s or student organization’s continued presence on University-controlled property or at University-affiliated activities poses a significant risk of substantial harm to the health or safety of others or to property or poses an imminent threat of disruption of or interference with the normal operations of the University.

During an interim suspension, the student or student organization shall be denied access to University-controlled property, including residence halls, and all other University-affiliated activities or privileges for which the student or student organization might otherwise be eligible, as the Vice Chancellor for Student Life or his/her designee determines in his/her sole discretion to be appropriate. A student or student organization who receives an interim suspension and violates the terms of the interim suspension shall be subject to further disciplinary action and may be treated as a trespasser. Permission to be on University-controlled property or participate in University-affiliated activities may be granted by the Vice Chancellor for Student Life or his/her designee.

When a student is placed on interim suspension, he/she may be assigned a grade of “W” or “I,” whichever is deemed appropriate by the faculty member involved.

Involuntary Medical Withdrawal or Suspension

When a student is unable to effectively pursue his/her academic work, or when his/her behavior is disruptive to the normal educational processes of the University, or constitutes a threat to members of the University community, due to, among other things, alcohol use, drug use, or a physical or mental incapacitating illness or condition, he/she may be withdrawn or temporarily suspended from the University as hereinafter provided.

Withdrawal. A student may be withdrawn from the University only after an evaluation of his/her mental and physical condition by a panel of at least three (3) persons appointed by the Vice Chancellor for Student Life. The student shall be notified of the reasons for the evaluation and given an opportunity to present evidence to the committee. The committee’s findings and recommendations shall be forwarded to the Vice Chancellor for Student Life, who will notify the student in writing of his/her decision. A student withdrawn under this procedure shall not be readmitted to the University without the approval of the Vice Chancellor for Student Life.

Temporary Suspension. Whenever a student, because of his/her mental or physical condition constitutes an apparent danger to persons or property, or when his/her behavior is disruptive to the normal educational processes of the University, he/she may be suspended from the University, for a reasonable period of time, by the Vice Chancellor for Student Life or the Dean of Students. If the University does not withdraw the student in accordance with procedures outlined above, he/she may return to the University at the end of the suspension period.

Grades. When a student is withdrawn or temporarily suspended from the University, he/she may be assigned a grade of “W” or “I,” whichever is deemed appropriate by the faculty member involved.

The Hearing Boards

Greek Judicial Board

(1) This board has original jurisdiction in cases in which a Greek student organization has allegedly violated the InterFraternity Council (IFC), Panhellenic, or National Pan-Hellenic Council (NPHC) Rules, Constitution, or By-Laws, or University Standards of Conduct. Hearing procedures shall afford student organizations all of the rights set forth in “Fundamental
Rights of the Accused” as detailed herein and be similar to the procedures used by the Student Disciplinary Board. Following a hearing, the board shall determine guilt or innocence and decide upon an appropriate penalty. Appeals from these decisions are to the Student Tribunal in accordance with “Appeal and Scope of Review” as detailed herein.

(2) An individual(s) member of a Greek student organization alleged to have violated a University Standard of Conduct will be referred to the Office of Student Judicial Affairs* for appropriate action. The Director of Student Conduct & Community Standards, who will decide all jurisdictional questions, may assign jurisdiction over cases of individual discipline to the Greek Judicial Board, except for cases involving allegations of sexual harassment, sexual assault, or sexual misconduct. In such cases the Greek Judicial Board will operate under the procedures established for the Student Disciplinary Board. Appeals from these decisions are to Student Disciplinary Board and must be filed with the Office of Student Judicial Affairs* in accordance with “Appeal and Scope of Review” as detailed herein.

(3) Students serving as members of the Greek Judicial Board must be active members of a Greek organization and in good standing during their terms of office. Guidelines for appointing, replacing and removing board members will be suggested by the Greek Council to the Office of Student Judicial Affairs* for approval. Members of the Greek Judicial Board will be required to participate in training seminars scheduled by the Office of Student Judicial Affairs*.

**Student Disciplinary Board**

(1) Jurisdiction. The Student Disciplinary Board has the following responsibilities:

(a) To hear allegations of student misconduct involving violations of the Standards of Conduct;

(b) To determine the innocence or guilt of the student charged and establish an appropriate penalty in cases where the student is found guilty; and

(c) To hear individual discipline cases appealed from the Greek Judicial Board and to make decisions appropriate with appellate responsibility.

(2) Membership. Members of the Student Disciplinary Board must be sophomores or above. Undergraduate and law students must have at least a 2.0 overall grade point average. Graduate students must have at least a 3.0 grade point average in all graduate work attempted. Members shall be screened and selected by a committee that consists of Office of Student Judicial Affairs* staff. A member may be removed from office, for cause, by the Student Life Council following notice and a hearing.

(3) Hearing Procedures.

(a) For each hearing, three (3) to seven (7) student board members will be selected from a pool of members. A quorum of three (3) board members must be present in order to hear a case. A majority vote of the members present is required for all decisions of the board. The chairperson votes in all cases.

(b) Any board member who cannot hear the evidence fairly and objectively for any reason shall dismiss himself/herself from the case.

(c) The Director of Student Judicial Affairs shall appoint a chairperson prior to the start of each hearing. The chairperson shall conduct the hearing and rule on all motions, objections, and other procedural issues. The chairperson shall ascertain that the accused has been advised of his/her rights and shall then read the statement of charges. A student who fails to appear before the Student Disciplinary Board in accordance with proper notification shall be deemed to have waived his/her rights to be present during the hearing, to know the evidence against him/her, to present evidence in his/her own behalf, and to exercise reasonable cross examination of witnesses appearing against him/her. This waiver shall become effective if the student fails to appear at the designated time and place of the hearing unless, at least twenty-four (24) hours prior to the hearing, the student communicates in writing to the Office of Student Judicial Affairs* good cause for granting a continuance of the hearing.

(d) The accused shall enter a plea of guilty or not guilty. If a guilty plea is entered, he/she shall be advised of the maximum penalty.

(e) The chairperson is responsible for maintaining an orderly discussion throughout the hearing. Proceedings should be conducted with fitting dignity and should reflect the importance and seriousness of the hearings. Any person who fails

---

*Office of Student Judicial Affairs = Office of Student Conduct & Community Standards*
to follow the instructions of the chairperson, after a warning, shall be referred to the Director of Student Conduct & Community Standards for appropriate disciplinary action.

(f) In the event that the accused pleads guilty, the board shall review the circumstances of the case and make appropriate decisions or recommendations regarding the penalty.

(g) If accused’s attorney is present, the accused’s attorney shall not question any individual, introduce evidence, raise objections, present arguments, or otherwise participate in the hearing. The failure of an accused’s attorney to attend the hearing shall not be grounds for delaying the proceeding or challenging the validity of the proceeding.

(h) The Student Conduct Assistant, on behalf of the University, shall present such evidence as he/she has at the hearing, including any witnesses. He/she shall not present written statements as evidence, unless circumstances make such presentation necessary and unavoidable. Under similar restrictions the accused may present written statements in his/her defense. Unsigned statements shall not be admitted as evidence. However, a statement submitted via electronic mail may be admitted if party against whom the statement is offered does not object to its admission or the chairperson determines that the statement’s authenticity and validity has been verified. Hearsay evidence is, however, admissible.

(i) After the presentation of evidence by the Conduct Assistant, the accused shall be allowed to present all relevant evidence. If a not guilty plea has been entered, evidence in mitigation of the alleged offense shall be presented only after the board has determined the issue of innocence or guilt.

(j) During board deliberations all persons except the board members shall be excused from the hearing room. The decision shall be based solely upon the evidence presented. No mention will be made during the hearing on innocence or guilt of the student’s previous disciplinary record, unless appropriate as rebuttal to character evidence introduced by the accused.

(k) After a determination of guilt by the board, the Student Conduct Assistant, on behalf of the University, shall present the previous disciplinary record of the accused, if any, and evidence of any other aggravating circumstances, to the board together with the recommendation of the Director of Student Judicial Affairs as to an appropriate penalty.

(l) After presentation of evidence by the Conduct Assistant, the accused shall be allowed to present character evidence, evidence of mitigating circumstances, and an alternative penalty recommendation.

(m) After the board determines the penalty, the accused shall be advised in writing of its decision.

(n) The results of the board’s decision shall be kept on official University judicial forms. If a verbatim record of the hearing is prepared, it shall be retained in the custody of the Office of Student Judicial Affairs* and considered a confidential disciplinary record. If necessary for adjudication of an appeal, the Director of Student Conduct & Community Standards may prepare a summary, certified by the chairperson of the Student Disciplinary Board, or provide that portion of the record that has been designated by the Student Tribunal or Student Life Council as material to the appeal.

(o) A board member shall not discuss cases prior to or after the hearing. The information received by members of the board during a case is considered strictly confidential. Violations of this confidence by any board member could result in disciplinary action.

(p) In cases involving an allegation of sexual assault or misconduct, the hearing procedures shall be modified to afford the alleged victim all of the rights described in “Fundamental Rights of the Accused” regarding sexual assault or misconduct as detailed herein. The board may consider evidence presented by the victim as part of the University’s proof.

(4) Appeals. Appeals from decisions of the Student Disciplinary Board may be made to the Student Tribunal in accordance with “Appeal and Scope of Review” as detailed herein.

Academic Review Boards

(1) Jurisdiction. * Office of Student Judicial Affairs = Office of Student Conduct & Community Standards
Student Rights and Responsibilities

relating to a course or program offered by the college. Jurisdiction may include cases of academic dishonesty which involve violations of other Standards of Conduct, but such cases shall initially be referred to the Office of Student Judicial Affairs* for determination of appropriate jurisdiction.

(2) Membership. The Academic Review Board of each college shall consist of an ad hoc group of three (3) faculty members and three (3) students selected from the college’s membership by the administrative head of the college. Alternative methods of selection of the three faculty members and the three students may be adopted by an individual college with the approval of the administrative head of the college. Also, under extenuating circumstances, a college may recommend, for approval by the Student Life Council, a board composition which differs from that prescribed above.

(3) Hearing Procedures.

(a) A quorum shall consist of four (4) members. The college shall make provision for alternates to insure the availability of a quorum.

(b) In order to establish continuity among the various Academic Review Boards and to ensure the maintenance of procedural due process, a member of the Vice Chancellor’s for Student Life staff shall serve as the non-voting chairperson of each Academic Review Board. His/her responsibilities shall include the scheduling of meetings, notification of parties and witnesses, and other duties as needed to ensure due process is afforded.

(c) Hearing procedures shall be established by the Office of Student Judicial Affairs*. Hearing procedures shall afford students all of the rights set forth in “Fundamental Rights of the Accused” as detailed herein and be similar to the procedures used by the Student Disciplinary Board. All decisions shall be by a majority vote.

(4) Appeals.

(a) Appeal of Decision Concerning Academic Dishonesty.

i. Student Appeal. A student may appeal a decision of the Academic Review Board that a student is guilty of academic dishonesty to the Student Life Council in accordance with “Appeal and Scope of Review” as detailed herein.

ii. University Appeal. The University may appeal a decision of the Academic Review Board that a student is not guilty of academic dishonesty to the Student Life Council in accordance with “Appeal and Scope of Review” as detailed herein. The administrative head of the college involved makes the decision whether to appeal.

(b) Appeal of Decision Concerning Academic Penalty.

i. A student may appeal a decision of the Academic Review Board concerning an academic penalty to the Student Life Council in accordance with “Appeal and Scope of Review” as detailed herein.

ii. If the Academic Review Board recommends that the instructor change the academic penalty proposed by the instructor, the Office of Student Judicial Affairs* shall notify the instructor of the Academic Review Board’s recommendation. The instructor may either accept or reject the Academic Review Board’s recommendation to change an academic penalty, and the instructor or the administrative head of the college involved shall notify the Office of Student Judicial Affairs* of the decision to accept or reject the Academic Review Board’s recommendation within seven (7) days of the Academic Review Board’s recommendation. If the instructor rejects the Academic Review Board’s recommendation, then the Office of Student Judicial Affairs* shall notify the student of the student’s right to appeal the instructor’s academic penalty in accordance with “Appeal and Scope of Review” as detailed herein, in which case the student shall submit the request for appeal within seven (7) calendar days of the notice to the student concerning the instructor’s rejection of the Academic Review Board’s recommendation.

iii. In the event the instructor rejects the recommendation of the Student Life Council following an appeal by the student of an academic penalty, then the student may appeal to the Chancellor, who, in consultation with the Provost, shall be the final decision maker concerning changes to student’s grades on the student’s official University academic record. The student must file a request for appeal within seven (7) calendar days of the notice to the student concerning the instructor’s rejection of the recommendation of the Student Life Council.

* Office of Student Judicial Affairs = Office of Student Conduct & Community Standards

(2) Appellate Jurisdiction. The Student Tribunal has appellate jurisdiction to review decisions of the Student Disciplinary Board and the Greek Judicial Board. Any other jurisdiction may be assigned by the Director of Student Conduct & Community Standards. The forms to be used on appeal and other procedural requirements shall be established by the Office of Student Judicial Affairs.

(3) Membership. The Student Tribunal consists of three (3) to seven (7) members, selected by the Director of Student Conduct & Community Standards or designee from the Student Disciplinary Board.

(4) Hearing Procedures. A quorum of three (3) members is required for a hearing before the Student Tribunal, and a majority vote of the members present is required for all decisions. Other hearing procedures shall be established by the Office of Student Judicial Affairs. In cases of original jurisdiction, the hearing procedures shall afford students all of the rights set forth in “Fundamental Rights of the Accused” as detailed herein and be consistent with the procedures used by the Student Disciplinary Board.

(5) Appeals. Appeals from decisions of the Student Tribunal may be made to the Student Life Council in accordance with “Appeal and Scope of Review” as detailed herein.

Student Life Council

(1) Jurisdiction. The Student Life Council is the hearing board for appeals from decisions of the Student Tribunal, Academic Review Boards, and for appeals filed by the Vice Chancellor for Student Life or his/her designee. It is the final decision making board in the judicial system. The Council also hears petitions to lift the disciplinary penalty of indefinite suspension. The Council may periodically review the status of student conduct and the judicial system and make appropriate recommendations.

(2) Membership. The Student Life Council is composed of the following members:

(a) The Vice Chancellor for Student Life, who serves as the chairperson;

(b) All the Deans of the University of Tennessee at Knoxville; Assistant Vice Chancellor

(4) Appeals from the Student Tribunal. A subgroup of eleven (11) members of the Student Life Council, four (4) of whom shall be students, shall hear appeals from the Student Tribunal or an Academic Review Board. The Vice Chancellor for Student Life or his/her designee shall serve as the chairperson of the subgroup and shall select the ten (10) other members of the subgroup from the general membership of the Student Life Council. The Student Life Council will hear appeals on the record, unless it elects by a majority vote of members present to hear the case de novo.

Appeal and Scope of Review

(1) Appeal. The disciplinary action of any board may be appealed to the next higher board.

(a) In all cases the request for appeal must be submitted in writing to the Office of Assistant Vice Chancellor within seven (7) calendar days of written notice of the board decision. If the seventh day falls on a weekend or holiday, the time is extended to the next regular workday.

(b) If written briefs are submitted or if required by the appellate board’s bylaws, they must be submitted...
within fourteen (14) calendar days of submission of the request for appeal. Under normal circumstances appeals will be heard within seven (7) days after written briefs have been submitted.

(c) All appeals (except those to the Student Life Council, which may elect to hear the case de novo) must be taken upon the record made before the original board.

(d) Pending the outcome of an appeal, the penalty specified in the original decision shall not be imposed.

(2) Scope of Review. The appellate board will review the request for appeal together with any written briefs or other supporting documents to determine if the appeal presents a substantial question within the scope of review. The scope of review shall be limited to the following:

(a) Appropriateness of the Penalty. In cases appealing the appropriateness of the penalty, the appeal board shall uphold the penalty unless the penalty is shown to be clearly unreasonable (i.e., that which has been clearly and fully proven to have no sound basis or justification in reason).

(b) New Evidence. An alleged victim may appeal a decision by showing that there is new evidence material to the decision of the board on the issue of innocence or guilt, and that the evidence could not have been discovered by the exercise of due diligence prior to the original disciplinary hearing.

The decision of any board or administrative officer of the University of Tennessee at Knoxville is subject to review by the Chancellor and the President pursuant to the University of Tennessee Bylaws, Article V, Section 7.

Inspection and Search Policy

(1) Entry by University authorities into occupied rooms in residence halls, fraternity houses, or sorority houses on University-controlled property will be divided into three (3) categories: inspection, search, and emergency. Inspection is defined as the entry into an occupied room by University authorities in order to ascertain the health and safety conditions in the room, to check the physical condition of the room, to make repairs on facilities, or to perform cleaning and janitorial operations. Search is defined as the entry into an occupied room by on-campus authorities for the purpose of investigating suspected violations of campus regulations. An emergency situation exists when the delay necessary to obtain a search authorization constitutes an apparent danger to person, property, or the building itself.

(a) Inspection: Scheduled inspections by on-campus authorities with the exception of daily janitorial operations shall be preceded, if possible, by twenty-four (24) hours’ notice to the residents. During the inspection there will be no search of drawers, closets, or personal belongings.

(b) Search: On-campus authorities will not enter a room for purposes of search without permission from the resident(s) or prior permission from the Dean of Students, the Vice Chancellor for Student Life, or a designee of Dean of Students or Vice Chancellor for Student Life, unless in compliance with federal or state law.
(c) Procedure for Search in Residence Hall Rooms: A request for permission to search may be made by the Hall Director, Assistant Hall Director, or their superiors when reasonable cause exists to suspect that a violation is occurring or has occurred. If permission to search is verbally authorized, it must be verified in writing to the occupant(s) of the facility searched by the hall staff members requesting the search. A copy of the authorization form is presented to the occupant(s) or left in the room if the occupant(s) is absent. The authorization form shall contain the following:

1. Description of the place to be searched;
2. Name of the person authorizing the search;
3. Description of the item(s) sought; and
4. Name of the person requesting the search authorization.

(d) Procedure for Search in Fraternity or Sorority Houses: For purposes of search, the fraternity or sorority house will be divided into open and closed areas. The closed areas will be the dorm section and chapter room. University authorities may enter the open areas for purpose of inspection or search without permission, but there will be no search of personal belongings or closed areas of the house. University authorities will not enter the closed areas without the written permission of the Dean of Students, the Vice Chancellor for Student Life, or their designees, or in compliance with federal or state laws.

(e) Resident Complaint: Should a resident believe that a University staff member has misused or abused his/her authority to inspect his/her room, the resident should file a complaint. He/she may prepare a written statement for review by the Office of Student Judicial Affairs*. Or, if he/she prefers, the resident may state his/her complaint to an Area Coordinator or to a staff member of the Office of Student Judicial Affairs*. The complaint will then be investigated, appropriate action will be taken, and the student will be informed in writing of the results of the investigation.

Administrative Procedures

(1) Residence Hall Regulations. Initially, violations of residence hall regulations will be handled by the Hall Director of the appropriate residence hall. Based upon the nature of the alleged violations and the past conduct of the accused, the Hall Director shall determine if the Hall Director Option is appropriate or refer the case to the Office of Student Judicial Affairs*. If the Hall Director Option is deemed appropriate, it will be administered as follows:

(a) The accused student will be notified:
   i. That he/she is suspected of an alleged violation;
   ii. Of circumstances of the violation;
   iii. Of his/her rights under the judicial system;
   iv. Of his/her rights to have his/her case heard by a student disciplinary board;
   v. That the Hall Director Option does not include imposition of a penalty; and
   vi. That acceptance of the Hall Director Option constitutes an admission of guilt which may be introduced at any subsequent disciplinary hearing.

(b) If the student accepts the Hall Director Option he/she shall reply, in writing:
   i. Acknowledging his/her participation in the alleged violation;
   ii. Waiving his/her right to a hearing before the Student Disciplinary Board; and
   iii. Waiving a right to appeal the administrative decision.

(c) If the student rejects the Hall Director Option, his/her case will be forwarded to the Office of Student Judicial Affairs* for action in accordance with violations of Standards of Conduct.

(2) Standards of Conduct. When allegations of individual misconduct are referred to the Office of Student Judicial Affairs*, the case will be adjudicated in accordance with procedures governing alleged violations of Standards of Conduct.

Emergency Powers

When, in the judgment of the Student Life Council of the University of Tennessee, conditions are such that it is impractical for the Student Disciplinary Boards to function, the Vice Chancellor for Student Life may
suspend these procedural regulations and appoint an ad hoc committee to hear disciplinary matters. Any such ad hoc committee shall follow procedures that will insure the protection of the rights of the students involved, as stated herein. Any decisions by the ad hoc committee may be appealed to the Student Life Council.

GENERAL CAMPUS POLICIES AND PROCEDURES

ARRESTS

Arrests of students on campus may be made by police officers. Violations of the law, including alleged thefts in the University Bookstore and alleged thefts, assaults, or use of drugs in university housing have led to arrests by police officers or referral by appropriate administrators for arrest. The Dean of Students or his/her designee is notified of the arrest and prepares on-campus charges when appropriate. The student who may have violated a criminal law and a university Standard of Conduct is subject to rulings by both jurisdictions.

A student arrested in the course of an infraction of the law will be informed of his/her rights, which are:

• He/she may remain silent;

• Any statement he/she makes may be used against him/her in further disciplinary or legal proceedings;

• He/she may have the assistance of counsel during questioning;

• Counsel will be provided before questioning if the student cannot afford to hire counsel.

Before interrogating a student, the police must obtain a written waiver from the student stating that he/
she understands his/her rights but wishes to answer questions without the assistance of counsel. No form of intimidation or harassment will be used by university police to obtain the waiver or to coerce an admission of guilt. If he/she waives his/her right to have counsel, the student may still stop answering questions or request an attorney at any time. A student will not be deprived of his/her liberty without arrest.

**UNIFORM ADMINISTRATIVE PROCEDURES ACT**

The university, with the assistance and advice of students, employees and other members of the university community, has developed procedures for handling a variety of situations involving student rights and privileges. Examples of these procedures, including opportunities for a hearing, are included in this student handbook. The university believes that these procedures well serve the interests of students in obtaining full and fair hearings with minimum expense, complexity, and inconvenience. An alternative to these procedures, however, is the Uniform Administrative Procedures Act (Public Acts, 1974, Ch. 725 Tennessee Code Annotated §4-5-101 et seq.). This act provides that any party whose legal rights, duties or privileges are required by any statute or constitutional provision to be determined after an opportunity for a hearing, shall be afforded an opportunity for such a hearing in accordance with the provisions of Tenn. Code Ann. §4-5-301 et seq.

Whenever a student requests a hearing to which he/she is legally entitled by virtue of the Uniform Administrative Procedures Act, that hearing will be conducted in accordance with the provisions of the “contested cases” section of the Uniform Administrative Procedures Act (Tenn. Code Ann. §4-5-301 et seq.), unless the student executes a waiver of his/her right to proceed under the Act and elects to follow the procedures set forth in the student handbook. If a student elects to invoke the hearing procedures of the Act, no right exists to pursue the university’s procedures herein stated, or to appeal through the Chancellor and to the President, since the Act provides a method of review of agency action. Appropriate waiver forms are available to students desiring to proceed under the university’s procedures. Contact the Office of Student Judicial Affairs*, 409 Student Services Building.

**USE OF UNIVERSITY PROPERTY AND USE OF UNIVERSITY PROPERTY FOR FREE EXPRESSION ACTIVITIES**

Certain rules on the use of University property, such as a rule on the use of University property for free expression activities, have been promulgated by the University in accordance with the rulemaking provisions of the Tennessee Uniform Administrative Procedures Act (TUAPA). Copies of those rules can be found at: http://www.tn.gov/sos/rules/1720/1720-01/1720-01.htm. The rules promulgated under the TUAPA supersede any conflicting provisions of this handbook.

**FACILITIES SERVICES GUIDE**

The Facilities Services Department is responsible for the basic operation and continuous maintenance of the physical facilities of the Main and Agricultural campuses of The University of Tennessee. On the campuses, responsibilities of Facilities Services include building operation and maintenance and grounds landscaping and maintenance. A Facilities Service Guide has been prepared to inform all members of the University Community of the services available from the Facilities Services Department, of policies related to maintenance and operation of the University’s facilities, and of procedures by which facilities services may be obtained. A copy of the Facilities Services Guide can be found at: http://fs.utk.edu/Services%20Guide.pdf

**FREEDOM OF ASSEMBLY AND DEMONSTRATION**

Because free inquiry and free expression are indispensable to the attainment of the goals of a university, the University of Tennessee encourages students to develop the capacity for critical judgment and to engage in an independent search for truth. The institution supports the rights of students and other members of the University of Tennessee community to express freely their views for or against actions and opinions with which they agree or disagree.

The University of Tennessee also recognizes a concurrent obligation to develop policies and procedures which safeguard this freedom of expression but which, at the same time, will maintain an atmosphere on the campus conducive to academic work, and will preserve the dignity and seriousness of university ceremonies and public exercises, and will respect the private rights of all individuals. The right of peaceable assembly is a guaranteed constitutional right and one which this institution does not intend to abrogate. Students, faculty and staff are encouraged to report violations of policies.

* Office of Student Judicial Affairs = Office of Student Conduct & Community Standards
associated with freedom of assembly and/or expression to the Office of Student Judicial Affairs* or the Office of the Dean of Students. The following regulations are intended to enumerate the essential provisions necessary to reconcile freedom of assembly with responsibility in any campus meeting conducted for the purpose of expressing opinions of the participants.

1. Student gatherings may be conducted in areas which are generally available to the public, provided such gatherings:

   A. Are conducted in an orderly and peaceful manner.
   B. In no way obstruct vehicular or pedestrian traffic.
   C. Do not interfere with classes, scheduled meetings, events and ceremonies or with other essential processes of the university.
   D. If inside a building, are held in an assigned meeting room.

2. Only meetings which have been approved in advance by the proper office may be held:

   A. Within university buildings.
   B. Within university stadia.
   C. Adjacent to residential or academic facilities of the campus.

3. Meetings which would impose an unusual demand upon staff or facilities must have approval regardless of where they are held on campus.

Violations of the above university policy will result in appropriate disciplinary action.

**LITERATURE DISTRIBUTION**

The following policy applies to literature distribution by University students.

The distribution of leaflets and handbills and the circulation of petitions on campus shall be free and unhindered. Any material to be distributed should be in accordance with the applicable local, state, and federal laws.

Special racks and bulletin boards are provided at numerous places on the campus and may be used by members of the university community. Litter produced by an individual and/or group as a result of leafleteering is the responsibility of the individual or group. Continued littering will result in appropriate judicial action. Traffic and specialized usage of certain facilities dictate the following specialized guidelines:

- **IN THE CLASSROOM** - generally not permitted; special requests should be presented to the professor using the classroom.

- **IN ACADEMIC BUILDINGS** - requests should be presented to the academic officer in charge of the facility.

- **IN THE UNIVERSITY CENTER** - booths are provided for organizations in the lobby of the first floor; bulletin boards and literature distribution racks are numerous. Traffic usually precludes wholesale distribution in other areas. Consult the Director of the University Center in special cases.

- **IN RECSPORTS FACILITIES** - requests should be presented to the Administrative Office (upper level) in the TRECS facility for approval by RecSports administration. Requests for the TRECS, Student Aquatic Center, Bubble, Intramural Field, HPER Building, and surrounding grounds must be submitted to this location for approval.

- **IN RESIDENCE HALLS** - distribution is limited to the main bulletin board and/or literature distribution racks in the main lobby. Distribution may not take place in the living areas of the residence hall. Postal boxes may not be used unless the material is considered U.S. Mail. For special pamphlet/leaflet distribution in lobby areas, approval of the hall student government and the Hall Director is required.

- **IN CAMPUS OUTDOOR AREAS** - posting of information is only allowed on general bulletin boards. For a complete list of board locations visit the Facilities Services website. Posting of any item on painted surfaces, doors, or windows is prohibited. Items posted in violation of this policy will be removed, and the individual posting them will be assessed any costs of removal or repair of damage.

**POLITICAL ACTIVITY**

The University of Tennessee recognizes and appreciates the growing interest of students in the political processes related to local, state, and federal governments. Student participation in political campaigns is a natural and desirable result of the enfranchisement of all students. Accordingly, it is the intent of the university to provide, within the constraints of university regulations and local, state, and federal laws, a campus environment in which students may participate fully in appropriate
political activity. Toward that end, the following guidelines shall apply to the political activity of students on UT campuses:

SOLICITATION
Both commercial and non-commercial solicitations are prohibited in non-public areas of the university. Solicitations and sales in public areas of the university are restricted to invitees and registered organizations, faculty, staff, and students of the university and are subject to reasonable restrictions as to time, place, and manner.

As it pertains to student organizations, “solicitation” is defined as the seeking of funds or support by a registered student organization from sources other than its members, including the procurement of supplies and other forms of support and the selling and distribution of items, materials, or products and services. Registered student organizations may be authorized to solicit on campus as long as such solicitation is consistent with the aims of the organization and is not for the personal benefit of members. In interpreting the aims or purposes of the registered student organization, the statement in its constitution will be followed.

Requests for approval of any form of solicitation must be made online at http:go.utk.edu/events no later than seven working days preceding the date of the proposed date of the activity. Prior to approval by the Office of the Dean of Students, the requesting organization must make appropriate arrangements and scheduling with the administrative office of the facility to be used. Content approval for the project is not a guarantee of the availability of the space. The Office of the Dean of Students will assist the organization in scheduling and coordinating outdoor space with the appropriate Facilities Management Office. Ordinarily, the academic buildings and the non-public areas of the residence halls will not be used for purposes of solicitation.

PARENTAL NOTIFICATION POLICY
In accordance with state law, the University of Tennessee will notify the parent or legal guardian of any student under the age of 21 who is found to be in violation of federal, state, or local law or university policy related to the use, possession or distribution of drugs and/or alcohol.

ALCOHOL ON CAMPUS
University regulations prohibit all student organizations from serving or permitting the consumption, possession, or display of any alcoholic beverage or containers at any time, or by anyone on university premises. Student organization officers are responsible for refusing admission to their social gatherings of persons under the influence of alcoholic beverages. Student organizations sponsoring any social affair are responsible for its general decorum.

POLICY ON A DRUG-FREE CAMPUS AND WORKPLACE
In support of the Drug-Free Workplace Act of 1988 (41 U.S.C. § 701 et seq.) and the Drug-Free Schools and Communities Act of 1989, the University of Tennessee is required to notify all students, faculty, and staff of the following university policy approved by the UT Board of Trustees on June 21, 1990:

It is the policy of the University of Tennessee to maintain a safe and healthful environment for its students and employees. Therefore, university policy prohibits the unlawful use, manufacture, possession, distribution, or dispensing of drugs (“controlled substances” as defined in the Controlled Substances Act, 21 U.S.C. 812) and alcohol on university property or during university activities.

Violation of this policy is grounds for disciplinary action up to and including immediate discharge for an employee and permanent dismissal for a student. Federal and state laws provide additional penalties for such unlawful activities, including fines and imprisonment (21 U.S.C. 841 et seq.; T.C.A. 39-6-401 et seq.). Local ordinances also provide various penalties for drug- and alcohol-related offenses. The university is bound to take all appropriate actions against violators, which may include referral for legal prosecution or requiring the individual to participate satisfactorily in an approved drug use/alcohol abuse assistance or rehabilitation program.

Aside from any university policy considerations, the use of illicit drugs and/or the abuse of alcohol may be harmful to your health. Some of the health risks associated with such use/abuse are described below.

As a condition of employment individuals who are paid by the University of Tennessee from federal grants or contracts must abide by the terms of this policy and notify the university in writing of any criminal drug statute conviction, which includes a finding of guilt, a plea of nolo contendere, or imposition of a sentence by any state or federal judicial body for a violation occurring in the workplace within five (5) days after such conviction. The university is in turn required to inform the granting or contracting agency of the conviction within ten (10) days of the university’s receipt of actual notice of the conviction.
Employees and their families needing treatment information should call their local Human Resources Office, Employee Assistance Program, or the State of Tennessee Employee Assistance Program (1-800-308-4934). Students needing treatment information should contact their campus Student Affairs Office, student health center, or counseling center.

INCIDENTS OF BIAS
The Office of the Dean of Students, in conjunction with other offices on campus, assists students and student groups to resolve incidents of bias according to the procedures described below.

Definitions:
Bias Incident – Any act of bigotry, harassment, intimidation, coercion, or damage to property by known or unknown perpetrators that occurs on UT’s campus or within an area that impacts the UT community and that one could reasonably conclude is directed at a member or a group of the UT community because of that individual’s or group’s actual or perceived age, color, creed, disability, ethnicity, gender, gender identity or expression, marital status, national origin, race, religion, sexual orientation, veteran status, or any combination of these or related factors.

Bias/Hate Crime – Is defined as any criminal offense or attempted criminal offense that one could reasonably and prudently conclude is motivated, in whole or in part, by the alleged offender’s bias against an individual’s actual or perceived age, ancestry or ethnicity, color, creed, disability, gender, gender identity or expression, height, immigration or citizenship status, marital status, national origin, race, religion, religious practice, sexual orientation, socioeconomic status, or weight.

Such action is prohibited when connected with initiation into or affiliation with an organization and does not include participation in customary athletic events or similar competition. A student committing an act of “hazing” is subject to disciplinary action in accordance with the Standards of Conduct.

*Office of Student Judicial Affairs = Office of Student Conduct & Community Standards*
CAMPUS EMERGENCY NOTIFICATION
The university employs a variety of methods to notify the campus community of dangerous situations and major interruptions in campus operations. The goal is to inform our community of an imminent threat so that students, faculty, and staff are able to take appropriate action for their specific situation. The campus community is asked to spread UTAlerts to others who may not be aware of the threat. Additional information about UTAlert can be found at utk.edu/alert.

UTAlert text messages and emails are the most commonly employed method. Texts are character limited; therefore, they are very general and recipients must use judgment in choosing the appropriate action based on the information available. In general, be aware of your surroundings and know how to evacuate and shelter in buildings you frequent. Signs are posted in the buildings and guidance for specific emergencies is available at safety.utk.edu. UTAlert emails will contain more guidance on how to respond.

Emergency Blue Phones and Neyland Stadium outdoor speakers are used for voice announcements in some emergencies. Twitter is used to repost critical emergency information @UTKnoxville. Local media and the National Weather Service are good sources of certain types of emergency information.

UTAlerts are issued early in the emergency, often before details are available. Updates to the situation will be posted on the campus main webpage at utk.edu when available.

All UTAlert activations are followed by an “all clear” message letting you know the situation has been stabilized. Protective actions should continue until the all clear is issued.

When an emergency significantly disrupts campus operations and schedules, inclement weather procedures apply and changes to campus schedules will be posted at utk.edu. Faculty are encouraged to review the Faculty Emergency Guide at https://tiny.utk.edu/facultyguide.

INCLEMENT WEATHER
The University of Tennessee will remain open except in the most severe weather conditions.

The Chancellor (or appointed representative) may officially close or suspend selected activities of the university because of extreme weather conditions. When a decision to close is reached, campus and local radio and TV stations will be notified and a UTAlert will be issued. The notice will also be posted on the front page at www.utk.edu

If the university is officially closed, certain essential activities such as Dining Services, Facilities Services, police, steam plant, health services, and Telephone Services will continue to operate. Some facilities such as the Library and University Center will, if possible, continue to function as a service to students and faculty. When the university is officially closed, its policy of Days of Administrative Closing will apply for staff exempt and staff nonexempt employees.

In the event of inclement weather when the university remains open, all faculty, administrators, and staff will be expected to make every reasonable effort to maintain their regular work schedules, but are advised to avoid undue risks in travelling. Employees who anticipate arriving late or not arriving at work at all should notify their immediate supervisors. Employees have the option of charging their time off to annual leave or leave without pay, or, with approval, they may make up their lost work hours.

In the event of a delayed opening, the Chancellor (or appointed representative) will determine a specific time of opening and that information will be distributed to the campus community through the local media and via the front page of www.utk.edu

All faculty and staff are expected to report to their specific work location by the set opening time. Students are expected to report to their regularly scheduled class only if there are 30 or more minutes remaining in the session. For example, if a delayed opening is set for 10:00 a.m., students who have classes from 9:40 a.m. to 10:55 a.m. should report to that class at 10:00 a.m. Students who have classes from 8:15 a.m. to 9:45 a.m. should not report to class. In a delayed opening, all classes scheduled prior to the set time of opening and those that have less than 30 minutes remaining after the set opening time are cancelled for the day.

Students will be responsible for any academic work they miss due to absences caused by severe weather conditions. It is the individual student’s responsibility to take the initiative to make up any missed work, and it is the instructor’s responsibility to provide a reasonable opportunity for students to complete assignments or exams missed due to such absences.

Faculty members have discretion in determining whether an additional session will be added for the class or if additional work is assigned due to the closure or delayed opening.
MEDICAL EXCUSE
While the responsibility for class attendance and achievement rests with the student, it is recognized that there are occasions in which the student is unable, because of health reasons, to attend scheduled classes. The policy of the Student Health Service is that medical excuses will not be written. Explanations of absence and satisfactory arrangements for academic makeup can be accomplished through communication between the student and the professor.

NON-DISCRIMINATION
(EEO/Title IX/Section 504 Statement/ADA)
All qualified applicants will receive equal consideration for employment and admissions without regard to race, color, national origin, religion, sex, pregnancy, marital status, sexual orientation, gender identity, age, physical or mental disability, or covered veteran status.

Eligibility and other terms and conditions of employment benefits at The University of Tennessee are governed by laws and regulations of the State of Tennessee, and this non-discrimination statement is intended to be consistent with those laws and regulations.

In accordance with the requirements of Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990, The University of Tennessee affirmatively states that it does not discriminate on the basis of race, sex, or disability in its education programs and activities, and this policy extends to employment by the University.

Inquiries and charges of violation of Title VI (race, color, national origin), Title IX (sex), Section 504 (disability), ADA (disability), Age Discrimination in Employment Act (age), sexual orientation, or veteran status should be directed to the Office of Equity and Diversity (OED), 1840 Melrose Avenue, Knoxville, TN 37996-3560, telephone 865-974-2498 (dial 711 for telecommunications relay services) or 865-974-2440. Requests for accommodation of a disability should be directed to the ADA Coordinator at the Office of Equity and Diversity.

SAFETY
Anyone who observes a safety or health hazard or a near miss should contact campus Environmental Health and Safety. Accidents involving visitors or students should be documented using an incident report form that is available from the Risk Management Office. Environmental Health and Safety can be contacted by telephone at 865-974-5084, by email at safety@tennessee.edu or in writing at Environmental Health and Safety, 2111 Terrace Avenue, Knoxville, TN 37996-3503. Questions related to safety policies, procedures and plans should be directed to Environmental Health and Safety.

SECURITY INFORMATION
In accordance with The Tennessee College and University Security Information Act of 1989 and the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, the University of Tennessee has prepared an annual security and fire safety report containing campus security policies and procedures, data on campus crimes and other related information. The report for the Knoxville campus is available on the Office of the Dean of Students web page at dos.utk.edu and the University of Tennessee Police Department’s webpage at utpolice.utk.edu. Additionally, a free, printed copy of this report may be obtained by any student, employee, or applicant for admission or employment from the Office of the Dean of Students, 413 Student Services Building or at the UT Police Department, 1101 Cumberland Avenue.

SEXUAL HARASSMENT
The University of Tennessee is committed to providing an environment free of sexual harassment, including sexual assault and other sexual misconduct. Sexual harassment is a violation of law, including Title IX of the Education Amendments of 1972, and University policy. The University will not tolerate sexual harassment. More information about sexual harassment and resources for victims of sexual harassment can be found below.

TITLE IX
The University of Tennessee is a recipient of federal financial assistance for education activities, and in accordance with the provisions of the Education Amendments Act of 1972, all of its education programs and activities are subject to the prohibition against discrimination on the basis of sex. University policy prohibits discrimination on the basis of sex in any education program or activity.

The University’s Title IX Coordinator monitors the University’s compliance with Title IX. Individuals with questions or concerns about Title IX, and/or those who wish to file a complaint of non-compliance with Title IX, may contact the University’s Title IX Coordinator, Office of Equity and Diversity, 1840 Melrose Avenue, Knoxville, TN 37996, Phone: 865-974-2498, Fax: 865-974-0943

Examples of Standards of Conduct for Students Relating to Sexual Harassment

The following is a non-exhaustive list of the University’s Standards of Conduct (pg. 14) that relate to sexual harassment:

5. Causing physical harm to any person; endangering the health or safety of any person; engaging in conduct that causes a reasonable person to fear harm to his/her health or safety; or making an oral or written statement (including electronically) that an objectively reasonable person hearing or reading the statement would interpret as a serious expression of an intent to commit an act of unlawful violence to a particular individual or group of individuals, although the speaker need not mean to carry out the act of unlawful violence in order to constitute a violation of this rule.

6. Harassment, which is defined as unwelcome conduct that is so severe or pervasive, and objectively offensive, that it substantially interferes with the ability of a person to work, learn, live, or participate in or benefit from the services, activities, or privileges provided by the University. In no event shall this rule be construed to discipline a student for speech protected by the First Amendment to the United States Constitution (e.g., mere insulting or offensive speech).

7. Sexual assault or misconduct. “Sexual assault” is defined as any sexual act or attempt to engage in any sexual act with another person without the consent of the other person, or in circumstances in which the person is unable to give consent due to age, disability, or an alcohol/chemical or other impairment. “Sexual misconduct” is defined as any intimate touching of another person, or forcing a person to engage in intimate touching of another, without the consent of the other person, or in circumstances in which the person is unable to give consent due to age, disability, or an alcohol/chemical or other impairment. It is the responsibility of the person initiating sexual activity to ensure the other person is capable of consenting to that activity. Consent is given by an affirmative verbal response or acts that are unmistakable in their meaning. Consent to one form of sexual activity does not mean consent is given to another type of sexual activity.

8. Invasion of another person’s privacy when that person has a reasonable expectation of privacy, including, but not limited to, using electronic or other means to make a video or photographic record of any person in a location in which the person has a reasonable expectation of privacy, without the person’s knowledge or consent. This includes, but is not limited to, making a video or photographic record of a person in shower/locker rooms or restrooms. The storing, sharing, and/or distributing of such unauthorized recordings by any means is also prohibited.

27. Violation of a University policy, such as the prohibition on discrimination on the basis of sex in any education program or activity.

28. Committing an act that is prohibited by local, state, or federal law. This Standard of Conduct would include but not be limited to Tennessee criminal law relating to sexual offenses (T.C.A. § 39-13-501 et seq.) and Title IX.

How to File a Complaint Against a Student

In addition to or in lieu of initiating criminal prosecution, a student who feels he/she has been the victim of sexual harassment, including sexual assault, has the right to file a complaint with the University. Conduct may violate the University’s Standards of Conduct or Title IX even if the police conclude they do not have sufficient evidence of a criminal violation. Penalties for sexual harassment could include suspension or permanent dismissal from the University.

A complaint of sexual harassment against another student will be treated as a complaint of sex discrimination in violation of Title IX and may be filed with the Office of Student Judicial Affairs*, 409 Student Services Building, 974-3171 or the University’s Title IX Coordinator, Office of Equity and Diversity, 1840 Melrose Avenue, Knoxville, TN 37996, Phone: 865-974-2498, Fax: 865-974-0943. The Title IX Coordinator and/or an employee in the Office of Student Judicial Affairs* will meet with the complainant, explain the University’s grievance procedures, listen to the complainant’s allegations, provide the complainant with an opportunity to ask questions, and refer the complainant to the Case Management Specialist or to the Office of the Dean of Students, who can assist the complainant with obtaining medical and/or psychological care, reporting the incident to the police, and exploring interim and remedial measures.

* Office of Student Judicial Affairs = Office of Student Conduct & Community Standards
Following the initial meeting with the complainant, the Office of Student Judicial Affairs will investigate the complaint to determine if the University’s Standards of Conduct have been violated. Investigations usually will include interviews of the complainant, the student against whom the complaint was filed, and other witnesses, as well as an analysis of documents and other relevant information. University investigations of sexual harassment complaints will be prompt, thorough, impartial, and independent of any criminal investigation or case that may be ongoing. The Office of Student Judicial Affairs uses a “preponderance of the evidence” standard in reaching its conclusions. If the Office of Student Judicial Affairs determines that a Standard of Conduct has been violated, then the case will be processed in accordance with the University’s student disciplinary regulations and procedures, which can be found on pp. 12-27 of this handbook. The Office of Equity and Diversity may participate in an investigation involving students. In a case involving a complaint against another student of sexual harassment, the alleged victim shall have the rights described on p. 13 of this handbook.

Mediation will not be used to resolve complaints of sexual harassment.

Standards of Conduct for University Employees
Federal regulations define sexual harassment in employment to include unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting that individual; or (3) such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile, or offensive working environment. The University’s sexual harassment policy relating to employment, including student employees, can be found at http://hr.utk.edu/policies or http://oed.utk.edu.

The University’s policy on consenting romantic or sexual relationships between faculty and students can be found in Appendix 7 of the UTK Faculty Handbook, which can be found at http://provost.utk.edu.

How to File a Complaint against a University Employee
A complaint of sexual harassment against a University employee, including a student employee, or a third party unaffiliated with the University should be filed with University’s Title IX Coordinator, Office of Equity and Diversity, 1840 Melrose Avenue, Knoxville, TN 37996, Phone: 865-974-2498, Fax: 865-974-0943, and will be handled in accordance with the University’s discrimination complaint procedures, which can be found at http://oed.utk.edu/complaints/.

How to Initiate Criminal Prosecution
Victims of sexual assault or misconduct have the right to initiate criminal prosecution by contacting the University of Tennessee Police Department, 1101 Cumberland Avenue, 974-3114, or the Knoxville Police Department, 800 Howard Baker Jr. Avenue, 215-7000. Victims may file a criminal complaint before, during, or after the University’s investigation of sexual assault or misconduct.

Confidentiality
University employees other than licensed psychologists (e.g., licensed psychologists in the Student Counseling Center) and licensed psychiatrists (e.g., licensed psychiatrists in the Student Health Clinic) cannot guarantee confidentiality, although the University attempts to protect the identity of a student who reports sexual harassment to the maximum extent possible under the circumstances. Information about the report may need to be disclosed to other University officials who have a need to know the information. An individual’s request regarding the confidentiality of a report of sexual harassment will be considered in light of the University’s legal obligation to the campus community to investigate complaints of sexual harassment and the due process rights of an accused student or employee to be informed of the allegations and their source. A request that the victim’s identity not be disclosed to the alleged harasser may limit the University’s ability to respond fully to a report of harassment.

The University is required by federal law to report the occurrence on campus of certain crimes, including sex offenses, in an annual report of crime statistics, but the report does not contain any personally identifiable information. The University also is required by federal law to issue a timely warning for certain crimes that represent a serious or continuing threat to the safety of students or employees, but such a warning would not contain any personally identifiable information.

Incident reports prepared by law enforcement for a law enforcement purpose generally are considered public records under the Tennessee Public Records Act and...
are not protected by the Family Educational Rights and Privacy Act of 1974, which means they would be made available to any Tennessee citizen upon request.

**Retaliation**
Retaliation against anyone who files a complaint of sex discrimination or participates in an investigation of sex discrimination is strictly prohibited by University policy and federal law. Anyone responsible for retaliation will be subject to disciplinary action by the University. Students who are subject to retaliation should contact the University’s Title IX Coordinator, Office of Equity and Diversity, 1840 Melrose Avenue, Knoxville, TN 37996, Phone: 865-974-2498, Fax: 865-974-0943, E-mail: jrichter@utk.edu.

**No Contact Directives**
In cases involving allegations of sexual harassment, the Vice Chancellor for Student Life, or his/her designee, may require that a student accused of harassing another student not have verbal, physical, or written contact with the alleged victim for a definite or indefinite period of time. The accused student will receive written notice of the no contact directive. In addition to an internal University no contact directive, victims are advised that other similar options exist and can be obtained from law enforcement and civil and criminal courts.

**WHAT TO DO IF YOU HAVE BEEN THE VICTIM OF SEXUAL MISCONDUCT**

1. **Go to a safe place.**

2. **Talk to someone you trust.** As soon as you are in a safe place, tell someone you can trust about the incident—a roommate, friend, resident advisor or hall director, minister, or counselor—who can provide emotional support and objectively help you make a plan.

3. **Preserve all physical evidence.** If you have been the victim of sexual assault, do not change your clothing, bathe, shower, douche, use the bathroom, brush your teeth, drink liquids, wash your hands or face, or comb your hair. If you change clothes, you should place all of your clothing that was worn at the time of the incident in a paper (not plastic) bag. Preservation of evidence does not mean that you have to pursue criminal charges, but it preserves that option for you.

4. **Seek medical care.** You may seek medical care at any time following an assault, but we strongly recommend that you do so within seventy-two hours (three days). A medical professional will examine you, provide appropriate medical treatment, and, if applicable, talk with you about the prevention of venereal disease and pregnancy.

You may seek medical care by contacting one of the following, twenty-four hours a day, seven days a week:

- **Emergency - 911**
- **Sexual Assault Center of East Tennessee**
  865-522-7273
  6215 Kingston Pike, Suite A,
  Knoxville, TN 37919
  mcnabbcenter.org/sacet

The mission of the Sexual Assault Center of East Tennessee is to provide excellent and compassionate services for victims and survivors of sexual assault and to empower our communities through education and social change. The Sexual Assault Center of East Tennessee has four program areas: Forensic Nursing, Advocacy, Therapy, and Prevention Education. All services provided by the SACETN are free, including no-cost medical examinations, pregnancy prevention, and testing and preventative treatment for sexually transmitted infections.

- **University of Tennessee Police Department**
  865-974-3114

Calling 911, contacting the Sexual Assault Center of East Tennessee, or contacting the UTPD does not mean that you must make a formal report to the university or to law enforcement. A medical examination simply preserves evidence in the event that you wish to pursue a criminal prosecution. If unwanted sexual activity occurred and if you think you might want to prosecute, you are strongly encouraged to have a medical examination for the collection and preservation of evidence within seventy-two hours. Please note that the collection of evidence for use in a criminal prosecution relating to unwanted sexual activity can only be performed by trained personnel at a hospital emergency room or at the Sexual Assault Center of East Tennessee. Physical examinations by other health care providers are likely to impede potential future legal remedies.

5. **Seek counseling.** If you wish to speak confidentially with someone, you can contact one of the following:

- **Student Counseling Center**
  865-974-2196

Licensed psychologist available during weekday business hours.
• Student Health Center
  865-974-3648

Licensed psychiatrist available during weekday business hours.

• Knoxville Sexual Assault Crisis Center Crisis Hotline
  865-522-7273

Staff members available twenty-four hours a day. A licensed university counselor or Sexual Assault Center staff member can guide you in exploring options and provide you with information and emotional support. Whether you seek immediate assistance or choose to wait, counseling can help you deal with the psychological impact and begin the healing process.

6. Report the incident. Reporting sexual misconduct is a deeply personal choice that only you can make. If you report, there is no requirement that you pursue criminal prosecution or university discipline against the accused student. Reporting the incident and having a medical examination performed within seventy-two hours are critical in preserving evidence and allowing law enforcement and/or the university to respond effectively; nevertheless, you may report an incident at any time.

The university strongly encourages you to report an incident of sexual misconduct to appropriate officials because it is the only way that action can be taken against an alleged violator of law and/or university policy.

You may report an incident of sexual misconduct to any of the following:

• University of Tennessee:
  • Sexual Assault Response Team
    865-974-HELP (4357)
  • Dean of Students
    865-974-3179
  • Office of Student Judicial Affairs*

REQUESTS TO REPORT TO AN ADMINISTRATIVE OFFICE
Such requests, including a summons to any judicial conduct hearing, must be promptly carried out. When the request to report at a specific date conflicts with a student’s schedule, notification of class absence for such person will be issued by the Dean of Students or his/her designee.

The university’s policy regarding the use and release of student records is governed by Public Law 93-380, the Family Educational Rights and Privacy Act, (FERPA, “the Act”), and the Tennessee Public Records Act. Under the terms of those laws, the university and its employees are charged with protecting the confidentiality of the educational records of its prospective, current, and former students.

The university will disclose educational records to individuals other than the student in accordance with the limited exceptions set forth under federal and state law. All exceptions to this policy, including disclosure to non-university persons or agencies, shall be administered by the Vice Chancellor for Academic Affairs or Vice Chancellor for Student Life, the Dean of Students, the Assistant Provost and Director of Enrollment Services, or the University Registrar. The student has the right to file complaints concerning alleged failures of the university’s compliance with the Act or the regulations. Such complaints may be filed with SEPPA, U.S. Department of Education, Rm. 5411, Switzer Building, 400 Maryland Avenue, SW, Washington, D.C. 20202. Phone 202-245-0233.

**TERMINATION OF STUDENT HOUSING CONTRACT**

The university may cancel a student’s housing contract as set forth in the “Student Housing and Dining Contract.” Cancellation of the contract may result in the eviction of the student upon five (5) days notice, except where the university determines that the continued residence of the student would pose a danger to the life, limb, health, or general well-being of other members of the residential community, in which case the student may be evicted upon twenty-four (24) hours notice.

The procedures followed by the university in terminating a housing contract and evicting a student from the residence hall are as follows:

1. An Assistant Director or Hall Director may recommend the termination of a housing contract. If an investigation indicates that a student has violated university or residence hall regulations which would justify the termination of the housing
contract, the appropriate staff member shall forward a written recommendation of termination together with the findings of the investigation supporting that recommendation to the Executive Director of University Housing or his/her designee.

2. If the Executive Director of University Housing (or designee) determines that the alleged misconduct would indicate that the continued residency of a student would pose a danger to the life, limb, health, or general well-being of other members of the residential community, the Executive Director (or designee) will advise the student in writing that his/her housing contract will be terminated twenty-four (24) hours from the date of the receipt of the notice, the specific reasons for this action, and the time and place of the preliminary hearing. The Executive Director of University Housing (or designee) will schedule a preliminary hearing prior to the twenty-four (24) hour termination date, the purpose of which will be to determine if sufficient grounds exist to support eviction upon twenty-four (24) hours notice as provided in the housing contract. At the conclusion of the preliminary hearing the student will be advised of the decision of the Executive Director (or designee), and if immediate eviction is upheld, of the student’s right to a full evidentiary hearing, as provided in paragraph three (3) below, as soon as practicable. If the student does not attend the preliminary hearing, the termination and eviction will become effective as set forth in the original letter of notification.

3. If the Executive Director of University Housing (or designee) determines that the alleged misconduct of the student would justify termination of the housing contract after five (5) days notice, he/she shall notify the student in writing of the date of the proposed termination, the reasons therefore, and the student’s right to an evidentiary hearing in accordance with the “contested case” section of the Administrative Procedures Act, Tenn. Code Ann. §4-5-301-323, or by the Executive Director of University Housing or his/her designated representative.

a. If the student elects a hearing under the provisions of the Administrative Procedures Act, the Executive Director of University Housing (or designee) shall forward the file to the Chancellor of the university for the appointment of a hearing officer.

b. If the student elects a hearing by the Executive Director of University Housing, or his/her designated representative, he/she shall schedule a hearing prior to the effective date of the termination and notify the student in writing as follows: 1) The date and time of the hearing; 2) That the hearing will consider the allegations of misconduct contained in the original letter of notification; 3) That at the hearing the student will have the right to make a personal appearance, to call witnesses, to present evidence, and to have a representative of his/her choice; 4) That the Executive Director of University Housing will notify the student in writing of his/her decision prior to the effective date of the termination.

4. The student shall have the right of appeal as hereinafter provided:

a. The student may appeal the decision of the Executive Director of University Housing (or designee) to the Vice Chancellor for Student Life by notifying him/her in writing within forty-eight (48) hours of receipt of the Executive Director’s written decision. In the event of an appeal, the eviction will not become final until acted upon by the Vice Chancellor for Student Life. Article V, Section 7 of the University By-Laws allows further appeal through the Chancellor to the President.

b. The decision of the Chancellor or President is final in all cases heard under the contested cases provision of the Administrative Procedures Act. Further appeal shall be in accordance with the provision of that act.

VOLCARD
Each student at the university is required to obtain and carry at all times the official university identification card. This card is used in nearly all aspects of campus life to obtain services including access to University Housing meals, attending sporting events, checking out library books, admission to events sponsored by the university or student organizations, and much more. The card is non-transferable and may not be duplicated. Students are responsible for the safekeeping of this card and must immediately report it lost or stolen if the card is not in their possession. It must be shown when requested by any university official.

WEAPONS
In accordance with applicable state law, the possession or carrying of any weapon on university property is strictly prohibited.
ACADEMIC POLICIES AND PROCEDURES
GUIDELINES FOR STUDENTS
The following general guidelines and observations on the teaching/learning process should prove helpful to all students, especially new students, both freshmen and transfers.

Adequate Preparation
With regard to learning in his or her respective courses, the student has the responsibility to seek information (which should be readily available from the instructor) as to necessary preparation for participation in the classroom activity. The instructor should provide specific information about the course objectives, nature of testing, and course requirements. The learning and integration of the course material is the student’s responsibility. Accordingly, the student should accept responsibility for adequate preparation for each class meeting, arriving for class able and willing to interact through classroom participation, testing, writing, in-class exercises, and other methods provided by the teacher. Basic to these activities is the need for the student to employ appropriate resources, as assigned by the instructor, such as textbooks, other supplies, and outside reading materials.

Academic Integrity
Study, preparation and presentation should involve at all times the student’s own work, unless it has been clearly specified that work is to be a team effort. Academic honesty requires that the student present his or her own work in all academic projects, including tests, papers, homework, and class presentation. When incorporating the work of other scholars and writers into a project, the student must accurately cite the source of that work. (See Standards of Conduct Honor Statement. Additional resources are available at http://www.lib.utk.edu/instruction/plagiarism/)

Observation of Deadlines
It is the responsibility of the student to use guidelines and schedules provided by the instructor in an efficient manner. Papers and other outside assignments should be presented on time. When a student is necessarily absent from class, including laboratory, it is the responsibility of the student to secure material he or she may have missed. When a student is absent from a test, he or she should contact the instructor immediately to see if a substitution for that test can be arranged.

Class Attendance and Eligibility
Only students who are properly registered for a course may attend it on a regular basis. Any other person in the classroom for special reasons must obtain the consent of the instructor.

Academic success is built upon regular class attendance. At the University of Tennessee, students are expected to attend all of their scheduled classes. Research shows a strong correlation between attendance and participation in class and improved student learning. A student who finds it necessary to miss class assumes responsibility for making up examinations, obtaining lecture notes, and otherwise compensating for what may have been missed. It is the prerogative of the individual instructor to set the attendance requirements for a particular class. This means, for example, that an instructor in first year composition may state in a syllabus how many absences are allowed before a student receives a grade of No Credit.

Class Attendance Guidelines for Extenuating Circumstances
In rare cases, students may have extenuating circumstances that make it impossible for them to attend all sessions of a class. These include military orders, court-imposed legal obligations, religious observances, extended illness, and participation in university, college or unit sponsored activities that lead to clear experiential and educational outcomes. On the first day of class each term, or immediately after the student knows of the need to miss class because of one of these extenuating circumstances, the student should share with the instructor a document detailing the extenuating circumstance. The document should outline the dates on which classes will be missed. Students with documented extenuating circumstances should be allowed to make up missed examinations. Instructors have discretion to determine what course work, beyond examinations, is available for make-up credit. Instructors who feel the required time away from class may be too much to allow a student to do well should consult with the student to determine whether, through extra effort and tutoring, the student may be able to achieve the learning outcomes of the class. If not, the instructor should recommend that the student withdraw from the course. If at all possible, the recommendation to withdraw from the class should occur before the end of the add/drop period. Students should consult with an academic advisor as soon as they know that a class must be dropped.
UNIVERSAL TRACKING (uTrack)
Universal Tracking (uTrack) is an academic monitoring system designed to help students stay on track for timely graduation. uTrack requirements only affect full-time, degree-seeking students who first entered Fall 2013 or later. uTrack does not apply to transfer students who enter prior to Fall 2015.

1. Students must declare a major or exploratory track at the time they are admitted to the university. Some majors have a competitive admission process.

2. All first-time, first-year UT Knoxville students must transition out of exploratory tracks into a major no later than the end of the fourth tracking semester at UT Knoxville.

3. Students who are off track must develop an advisor-approved plan for getting back on track before they will be allowed to register for future tracking semesters.

4. Students who are off track for two consecutive semesters will be placed on hold and required to select a new major that is better aligned with their abilities.

Exploratory Tracks
- Students who are deciding among one or more majors that are all offered by the same college follow an exploratory track for that college (e.g., Arts and Sciences Exploratory, Business Exploratory, etc.)
- Students who have no clear idea of which major to pursue and/or those who are trying to decide among majors that are not in a single college follow the University Exploratory track.

Milestones
- In order to remain on track for a major or exploratory area, students must complete minimum requirements for each tracking semester known as milestones. Milestones may include successful completion of specified courses and/or attainment of a minimum GPA.

Tracking Semesters
- Only fall and spring semesters are tracking semesters. Mini and summer semesters are not; they provide an opportunity for students to catch up on unmet milestones. Study abroad and co-op semesters are not tracking semesters. Students participating in study abroad and co-op are not required to complete milestones while they are away from campus.

Tracking Audit
- Tracking audits help students identify their milestone progress; audits are tied to a catalog year. Tracking audits are used to notify students when they are off track.

Off Track Status
- Students who are off track at the end of a tracking semester must meet with an advisor as soon as possible, but no later than the end of the next tracking semester to develop a plan for getting back on track. Students who do not have an advisor-approved plan for getting back on track will not be allowed to register for future tracking semesters.

- Students who are off track for two consecutive semesters will have a hold placed on their registration and must meet with a new advisor in one of the advising centers no later than the end of the “add” period of the next tracking term to select a new major that is better aligned with the student’s abilities.

Academic Advising
http://www.utk.edu/advising/
The University of Tennessee recognizes academic advising to be a critical component of the educational experience and student success. Faculty, administrators, and professional staff promote academic advising as a shared responsibility with students. Academic advising serves to develop and enrich students’ educational plans in ways that are consistent with their personal values, goals, career plans, and preparing them for a life of learning in a global society. More information is available at: http://www.utk.edu/advising/.

Students are assigned to advisors based on their major or exploratory track. Advising centers and designated offices in each college advise most freshmen and sophomores. Faculty advisors, working closely with the advising centers, guide most advanced students. At all levels, campus-wide guidelines for good advising are supplemented by specific college standards, guidelines, and evaluation.

Prior to enrolling for the first time at the university, all degree-seeking first-year students and transfer students are required to meet with an academic advisor. Readmitted students must also meet with an academic advisor prior to reenrolling. The following groups of students are required to meet with an advisor during each tracking semester (fall and spring):

- All students with fewer than 30 hours at UT Knoxville.
- Students following exploratory tracks.
• Students identified as “off track” by uTrack.

• Students on Academic Probation.

All other students are required to consult with an advisor for a substantial conference during a designated semester each year.

• Students whose ID numbers end in an even digit are required to meet with an advisor during fall semester.

• Students whose ID numbers end in an odd digit are required to meet with an advisor during spring semester.

All students at the university should review carefully the prescribed curricula of the respective degree-granting units and should choose courses in accordance with the exploratory or major track that they are pursuing. More information is available at: http://catalog.utk.edu. The student, not the advisor, bears the ultimate responsibility for educational planning, selecting courses, meeting course prerequisites, and adhering to policies and procedures. Assistance to students with academic problems or questions is provided by professors, advisors, department heads, and college deans or advising centers. Numerous other sources of academic, career, and personal counseling exist on the UT Knoxville campus and are available to admitted students. These are described in the Undergraduate Catalog under Academic Services and Student Affairs and detailed information is available on the Academic Advising website at http://www.utk.edu/advising/.

Observation of University Deadlines
It is the student’s responsibility to be aware of and follow the enrollment and registration procedures provided by the university. A student is well advised to take advantage of preregistration. If it becomes necessary to drop a course, a student should seek advice, inform the instructor, and then drop the course before the drop deadline. It is the student’s responsibility to file forms for graduation based on information provided by the Degree Audit Report System and to observe other university and college deadlines.

Student/Faculty Relationships
Freedom of Expression
Free and pertinent discussion is welcome at the university. Students should feel free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion. They are responsible, however, for learning the content of any course of study for which they are enrolled.

Academic Evaluation
Students may expect their performance to be evaluated solely on an academic basis and not on opinions or conduct in matters unrelated to academic standards. Students are responsible for each course in which they are enrolled. A student alleging unfair evaluation should appeal first to the teacher, then to the department head, and, if necessary, to the dean of the college in which the department is located. To pursue an appeal further, the student should submit a written request to the Undergraduate Council. Teachers are expected to make honest, professional judgments on the academic performance of students and to make clear to them the basis for academic evaluation used in their classes.

Academic Integrity
The university expects that all academic work will provide an honest reflection of the knowledge and abilities of both students and faculty. Cheating, plagiarism, fabrication of data, providing unauthorized help, and other acts of academic dishonesty are abhorrent to the purposes for which the university exists. In support of its commitment to academic integrity, the university has adopted an Honor Statement (see page 16).

GUIDELINES FOR FACULTY
The brief statement that follows is intended to provide some guidelines for faculty members (all members of the university’s academic teaching staff) with regard to the teaching/learning process. The guidelines are offered in the form of advice and counsel; they are not so comprehensive as to cover every possible eventuality in the teaching/learning experience. There are other equally good ways of handling some of the circumstances mentioned here.

These guidelines are mainly a reminder of some of the principal aspects of the teaching/learning process that should be observed by the university teacher. For further information, please consult the Faculty Handbook and the Teaching Guide published by the Office of the Provost and located on the Provost’s web site.

Course Organization
It is the instructor’s responsibility to organize class material as effectively as possible at the beginning of each term of instruction. At the beginning of the semester, faculty members will distribute to students a syllabus, which makes explicit such matters as learning outcomes, class attendance policy, required readings, the approximate number of tests, and the basis for the final grade with regard to the value to be placed
on class recitation, major tests, minor tests, research papers, etc. The syllabus should also state the time and location of the faculty member’s office hours. Once such basic principles for the conduct of the course have been announced, faculty should make changes only after careful consideration and consultation with the students.

Likewise, the value assigned to tests and research papers should not be changed, unless the faculty member finds that his or her earlier expectations were unreasonable and that, for example, the number of tests should be reduced because of the exigencies of time or a shortage of library resources. Faculty members should take great care to ensure that book orders are turned in on time so that sufficient copies of text materials are available at the beginning of the term. The syllabus should distinguish the books and materials required for the course from those that are merely recommended. The faculty member should also inform the university libraries about reserve materials well in advance so that they will be available to the students at the appropriate time.

Conducting the Course
The faculty member should set an example for students in being faithful in attendance and punctual in starting and ending classes. Students should be informed of all planned absences as early as possible. When a faculty member must miss class for any reason, he or she should arrange for a substitute instructor, arrange a substitute class session or substitute an assignment, in consultation with the class. In the event of an emergency that prevents the faculty member from meeting her or his class, the faculty member should have the class notified through the departmental office that he or she is compelled to be absent.

In presenting course content, the faculty member should endeavor at all times to adhere to his or her subject; the classroom should not be used as a theatre for expression of personal views that are not germane to the course. The faculty member should take care that the tests and all other devices for student evaluation are appropriate instruments for measuring student mastery of the course content. Ideally, the test will reflect the goals of the course and should serve the function of measuring the students’ course progress as clearly as possible. An instructor should be willing to discuss with a student his or her academic standing at any time during the term.

Atmosphere for Teaching and Learning
It is very important that the faculty member create from the beginning, and preserve throughout the course, an atmosphere conducive to learning. Both teacher and student should feel that they have come together in the common cause of the pursuit of learning. In such a pursuit, the faculty member must be continually sensitive to students’ needs, desires, and expectations and should exercise the kinds of judgments that demonstrate this kind of sensitivity. This does not mean that the faculty member is subject to the wills and whims of students enrolled in his or her course, but with such faculty awareness, unreasonable confrontations may be avoided. It is in the atmosphere of friendly and serious scholarship that the cause of learning can be most appropriately advanced. All faculty members, especially those who are official advisors, should observe regularly scheduled office hours each term for consultation with students. Faculty members who supervise graduate teaching assistants should ensure that the teaching assistant has an appropriate level of competency in the classroom.

PROBLEM RESOLUTION FOR ISSUES RELATED TO ACADEMIC COURSEWORK
Issues related to grades or academic coursework should first be addressed with the course instructor, then the appropriate department head, and finally the dean of the college in which the course is offered. If an appropriate solution cannot be reached through discussions with these individuals, the Director of the Student Success Center (for undergraduate students) or the staff of the Office of Graduate Student Services (for graduate students) can offer assistance regarding the best “next steps” for problem resolution. Issues related to academic advising should be addressed first with the advisor, then the director of the appropriate advising center, then the dean of the appropriate college, and finally with the Assistant Provost for Student Success.

UNDERGRADUATE GRADE APPEAL PROCESS
Appeals to the Undergraduate Council
The Undergraduate Council hears appeals concerning grades only after grievances have been duly processed, without resolution, through appropriate procedures at the department and college levels. The Council does not review grievances concerning allegations of misconduct or academic dishonesty. Procedures for consideration of such matters are published in Hilltopics under “Student Rights and Responsibilities.”

Students should begin the appeal process as soon as possible. No appeal may be filed later than 90 days after the final grade has been issued.
Grounds for Appeal
Students may appeal grades on the basis of one or more of four allowable grounds.
1. A clearly unfair decision (such as lack of consideration of circumstances clearly beyond the control of the student, e.g., a death in the family, illness or accident).
2. Unacceptable instruction/evaluation procedures (such as deviation from stated policies on grading criteria, incompletes, late paper, examinations, or class attendance).
3. Inability of instructor to deal with course responsibilities.
4. An exam setting which makes concentration extremely difficult.

The Appeals Procedure
• Instructor Level: The student should first consult with the instructor and if agreement cannot be reached, the student may appeal to the department head. If the student believes the grade assignment was based on criteria other than academic, such as race, gender, religious beliefs, national origin, age or handicap, then the student should make an appeal in writing to the Office of Equity and Diversity with a copy to the department head.

• Departmental Level: If the student appeals to the department head after attempts to resolve the matter with the instructor have failed, it is the responsibility of the department head to determine the circumstances surrounding the assignment of the grade. If the department head has reason to believe that none of the four academic conditions specified above apply, then the department head should encourage the student to accept the assigned grade. If the student wishes to pursue the appeal further, he or she may appeal in writing to the dean of the college in which the department is located.

If the department head has reason to believe that any of the four conditions do apply, then the instructor should be encouraged by the department head to reconsider the grade. If the instructor elects not to change the grade, then the department head will appoint a committee of at least three faculty members to review the matter. Such committee will be charged with making a timely recommendation to the department head concerning the student’s grade. The student must submit a written appeal for the committee’s consideration or for any appeal made beyond the departmental level. If the departmental committee’s recommendation is that the student’s grade should be higher than the one assigned and the instructor still elects not to assign the recommended higher grade, the department head will assign the grade of pass, or, at the student’s option, he/she may accept the existing grade. In such a case, all other restrictions to use the grade of pass to satisfy graduation requirements are waived. If the departmental committee’s recommendation is that the student’s grade should not be higher than the one assigned, the department head will inform the student that the appeal has been denied.

• College Level: If the student wishes to pursue the appeal further, he or she may appeal in writing to the dean of the college in which the department is located. It is the responsibility of the dean to determine the circumstances surrounding the assignment of the grade. After reviewing the appeal, the dean may grant the appeal, deny the appeal, or appoint a committee to review the appeal similar to the process outlined on the departmental level. If the Dean grants the appeal, a grade of pass will be assigned, or, at the student’s option, he/she may accept the existing grade. In such a case, all other restrictions to use of the grade of pass to satisfy graduation requirements are waived. If the Dean determines that the student’s grade should not be higher than the one assigned, the Dean will inform the student that the appeal has been denied.

• Undergraduate Council Level: The student may forward to the Assistant Provost for Student Success and the Chair of the Undergraduate Council a statement requesting a review of the student’s complaint concerning his or her grade. The appeal must be written and must be based upon one or more of the four allowable grounds, explaining in detail why the appeal is based upon these grounds. No appeals will be accepted via fax or e-mail. The appeal must be sent via mail or hand delivered and include a signature. Appeals can be mailed to the Assistant Provost for Student Success, 821 Volunteer Blvd, Greve Hall-Room 218, University of Tennessee, Knoxville, TN 37996.

The Assistant Provost for Student Success, after consulting with the student and the college office to determine that the appeal does in fact fall under the jurisdiction of the Undergraduate Council and has been brought forward in the proper form, will, first, forward the appeal to the Appeals Committee of the Undergraduate Council for review and, second, notify the dean, the department head, the course instructor, and the student that the Appeals Committee has the case under review. Upon receipt of the appeal, the chairperson of the Appeals Committee will call a special meeting of the committee for purposes of hearing the appeal. The chair will invite the student, the instructor, and the department head to appear in person if they
choose or to supply a written statement (in the student’s case this statement will already have been provided).

The committee will maintain minutes of the hearing. After hearing the appeal, the Appeals Committee will vote as to whether the grade should be overturned. A majority vote will constitute the decision of the committee. A tie vote will be decided by the chair. The decision of the Appeals Committee will be relayed by the chair of the committee in writing to the principals. If the appeal has been denied by the Appeals Committee, the student may appeal to the full Undergraduate Council. If the council denies the appeal, the grade stands. If the student’s appeal is upheld by the Appeals Committee, the instructor may appeal to the full Undergraduate Council. If the council holds for the instructor, the grade stands. If the student’s appeal is upheld by the Appeals Committee and there is no appeal by the instructor to the full Undergraduate Council, or if the instructor does appeal to the full Undergraduate Council and the council holds for the student, the instructor may either elect to change the grade to a higher grade or refuse to do so. If the instructor refuses to change the grade, the chancellor will instruct the university registrar to change the course grade to Pass.

In all cases of appeal to the full Undergraduate Council, the chairperson of the Undergraduate Council will notify the student or instructor, in writing, of the council’s decision and if applicable, of the right to further appeal in accordance with Article 5, Section 7, of the University Bylaws: Officers, faculty and staff members, students, employees, alumni, and all other officers who feel that they may have a grievance against the university shall have the right of appeal through the chancellor or vice-president to the president of the university.

An appeal to the chancellor must be filed within 60 days of the Undergraduate Council decision.

**REPEATING COURSES**

**General Repeat Policy**

Students who are struggling with a class should talk with their advisor before deciding whether to withdraw from and/or plan to repeat a class.

- Courses may be repeated twice, for a total of three attempts per course.
  - A grade of W does not count as one of the three attempts.
  - Grades of C-, D+, D, D-, F, Incomplete, and NC are counted as one of the three attempts.
  - No course may be repeated in which a grade of C or better has already been earned.

- Each repeated course is counted only once in determining credit hours presented for graduation
- With limited exceptions (see Grade Replacement Policy), all grades earned in repeated courses will count in calculating the GPA.
- Exceptions to the number of times a course may be repeated will be allowed only with prior written permission from the head of the department where the course is being offered and the student’s college dean or designee.

**Grade Replacement Policy for Three Lower Division (100-200 Level) Courses**

- The first three lower-division (100-200 level) course grades may be replaced when a course is repeated. All other grades will be included in computing the cumulative grade point average.
- If the same course is repeated more than once, the additional repeats will count towards the grade replacement total.
- Repeating a course in which an NC or a W grade has been earned does not count as one of the three grade replacements.
- The grade earned during the final attempt will be used in computing the cumulative GPA.
- All grades for all courses remain on the transcript.
- Transfer course grades cannot be replaced (see Transfer Admission policy).

**DROPPING, ADDING, WITHDRAWING FROM CLASSES**

**Adds, Drops, Withdrawals**

Undergraduate students may add courses through the tenth calendar day counted from the beginning of classes fall and spring terms. Because of the nature of some courses, permission of the department head may be required to add a course after classes begin. Students may also, as departmental policies permit, change a section of a course through the add deadline.

Students may drop courses until the 10th calendar day from the start of classes with no notation on the academic record for full term courses in fall and spring.

From the 11th day until the 84th calendar day, students may drop courses and will receive the notation of W 1

1 The periods for add, drop, change of grading for sessions within the full term, summer, and mini-term are determined based on a percentage of the equivalent deadline for the full term. See Timetable of Classes each term for exact dates on the MyUTK website (https://myutk.utk.edu/). Deadline dates may be adjusted if the deadline falls on a holiday, weekend day or spring recess.
Student Support Services and Programs

(Withdrawn) for full term courses in fall and spring. Following are additional regulations related to dropping classes after the 10th day:

- Students are allowed four drops during their academic career (until a bachelor’s degree is earned).
- Students holding a bachelor’s degree who return to pursue a second bachelor’s degree are allowed four additional drops.
- Students pursuing more than one major or degree simultaneously are not allowed additional drops beyond the four available drops.
- After the 84th day, no drops are permitted. From the 85th day to the last day of classes, students still have the option of withdrawing from the university (dropping all courses).
- Withdraw from the University (dropping all courses) does not impact a student’s four allotted drops.

More information on withdrawals is provided in the catalog section, Total Withdrawal from the University.

- The W grade is not computed in the grade point average.
- Courses may be dropped on the web (https://myutk.utk.edu/).
- Failure to attend a course is not an official withdrawal and will result in the assignment of an F grade.

ACADEMIC STANDING, PROBATION AND DISMISSAL

The University of Tennessee, Knoxville, expects all students who enroll to make progress toward graduation. To graduate from UT Knoxville, a student must earn a minimum cumulative grade point average (GPA) of 2.0. The university reviews students’ academic records at the end of each term to determine academic standing. The undergraduate catalog contains additional requirements for specific programs.

Academic Standing

GOOD ACADEMIC STANDING - A student is in good academic standing when both the student’s term and cumulative GPA’s are 2.0 or higher or, if after two consecutive terms, the student’s cumulative GPA is 2.0 or higher and at least one term GPA is also 2.0 or higher.

Academic Probation

A student will be placed on Academic Probation when (1) his/her cumulative GPA falls below the minimum acceptable level of 2.0 for one semester or (2) the semester GPA falls below the minimum acceptable level of 2.0 two consecutive terms of enrollment.

During the semester that a student is placed on Academic Probation, and any other semesters in Academic Probation, a student must participate in a special directive advising program to help the student address concerns that are impacting his/her academic performance, and to outline a plan for achieving academic success. This model of early intervention is designed to help students regroup and position themselves for academic success. Students on Academic Probation status during a term will automatically be dismissed at the end of that term if both:

- The cumulative GPA is below a 2.0, and
- The term GPA is below a 2.0
- For first-time, first-year, and transfer students, the summer term prior to their first fall term will not be included in the dismissal decision.

A student will no longer be on academic probation when his or her cumulative grade point average is 2.0 or higher and the term grade point average is 2.0 or higher. This policy is in place in recognition of the University of Tennessee, Knoxville’s minimum grade point average of 2.0 for graduation.

Academic Dismissal

Academic dismissal is the end result of a pattern of receiving grades that are below the university’s standards for good academic standing (GPA of 2.0 or better). Students who have been academically dismissed are not eligible to enroll in classes, either full-time or part-time at the University of Tennessee (including on-line courses). Academically dismissed students are not permitted to live in university housing and no longer have the privileges provided through the UT student identification card (VolCard). Academically dismissed students must remain away from the university for a mandatory absence and should use the period of dismissal to reflect on and address the factors that led to poor performance.

- **First Academic Dismissal** - A student dismissed for the first time may not be readmitted until after a full semester (not including summer) has elapsed.
- **Second Academic Dismissal** - A student dismissed for the second time may be readmitted after one calendar year has elapsed and after completing a minimum of 12 semester credits of academic course work with at least a 2.5 cumulative grade point average from accredited institution(s) of higher education. Students who have been dismissed twice are required to meet with the Undergraduate Council Appeals Committee. Students may be readmitted only when they present evidence that they are capable of performing at
the level required to meet university academic standards and completing all degree requirements within a reasonable length of time.

- **Third Academic Dismissal** - After a third dismissal, a student is ineligible to attend the university and may not apply for readmission.

Students who have been academically dismissed and who are readmitted will be dismissed again if they fail to earn a 2.0 minimum term GPA at the end of the first semester after readmission and every term thereafter until the cumulative GPA reaches a 2.0. For further information on readmission after academic dismissal, see Readmission to the university under the Admission to the university section of the catalog.

**ACADEMIC SECOND OPPORTUNITY**

Academic Second Opportunity is designed to assist the student who was not successful in progressing toward a degree during a previous attendance at UT, Knoxville, but is now performing satisfactory work. Granting it is an acknowledgement by the university that the student’s earlier work is not consistent with his or her academic potential, but that the work earned since return is. This policy is not intended to allow students to progress directly into a major. Exceptions to progression standards must be made at the college level.

An undergraduate student may petition for Academic Second Opportunity upon meeting the following requirements: the student has re-enrolled following an absence from UT Knoxville of at least three full calendar years; the student’s previous academic record at the university was unsatisfactory (normally, below a C average); since readmission, the student has completed 15 or more graded hours, earning a 2.5 GPA or above.

Decisions on granting Academic Second Opportunity are made by committee. If the student’s petition is approved, all previous academic work will remain on the permanent record, but the grades for such work will not be used in computing the grade point average or in determining academic standing. Previous credits earned with a grade of C or better will continue to meet major, distribution, and graduation requirements.

To graduate, a student granted Academic Second Opportunity must complete at least 30 hours at UT, Knoxville, following readmission. To meet minimum qualifications for graduation with honors, the student must earn at least 60 semester hours of letter grades (A-F) following readmission. Academic second Opportunity may be granted only once. If hours earned during the previous attendance have already been applied toward the completion of an awarded degree from a four-year institution, Academic Second Opportunity will not be granted. Registration at another college or university since the previous UT Knoxville enrollment will not prevent a student from qualifying.

Petition must be made no later than the academic term prior to the one when the degree will be granted. Students should consult the Office of the University Registrar’s Web site (http://registrar.tennessee.edu/) for instructions and Academic Second Opportunity petition form. To initiate the petitioning process, students should meet with designated advisors in their colleges.

**WITHDRAWAL FROM THE UNIVERSITY**

Undergraduate students who need to drop all of their courses and leave the university before a term is finished may withdraw by the deadline on the web (www.myutk.utk.edu/). The word “withdrawn” will be posted on the transcript.

- Three total withdrawals from the university are allowed. Fall and spring semesters will be included in the three total withdrawals; mini and are not counted.
- After three total withdrawals from the university, a student must sit out for both a fall and spring semester. After sitting out a student may apply for readmission. If readmission is granted, no additional total withdrawals will be allowed and earned grades will stand for all future terms.
- A total withdrawal from the university does not impact a student’s four allotted “course drops with a W” over his/her undergraduate career. More information on dropping a single course with a W is provided above under Dropping, Adding, and Withdrawing from Classes, and in the catalog section, Adds, Drops, and Withdrawals.
- It is the responsibility of a student who has registered for classes to attend them or, if that is impossible, to apply for a total withdrawal from the university. A student will receive final grades unless the student follows procedures for withdrawal from the university.
- A student who simply stops participating in classes, or fails to attend class, without officially withdrawing will be assigned the grade of F in each course (or NC for S/NC graded coursework).
- Students who do officially withdraw from the university must apply for readmission in advance of their next term of anticipated enrollment, except for withdrawal from mini and summer terms.
- Enrolled students are liable for payment of fees. For any return of tuition or fees, students should contact a One-Stop counselor, Hodges Library Ground Floor.
- Students who are called to active military duty
during a term of enrollment should contact the Office of the University Registrar for assistance with total withdrawal from the university and readmission procedures.

WITHDRAWAL OR TEMPORARY SUSPENSION DUE TO MENTAL OR PHYSICAL PROBLEMS
When a student is unable to effectively pursue his/her academic work, or when his/her behavior is disruptive to the normal educational processes of the university, or constitutes a threat to members of the university community, due to alcoholism, drug addiction, mental instability or other physical or psychologically incapacitating illness or condition, he/she may be withdrawn or temporarily suspended from the university as hereinafter provided.

Withdrawal
A student may be withdrawn from the university only after an evaluation of his/her mental and physical condition by a panel of at least three persons appointed by the Vice Chancellor for Student Life. The student shall be notified of the reasons for the evaluation and given an opportunity to present evidence to the committee. The committee’s findings and recommendations shall be forwarded to the Vice Chancellor, who will notify the student in writing of his/her decision. A student withdrawn under this procedure shall not be readmitted to the university without the approval of the Vice Chancellor. When a student is withdrawn from the university, he/she may be assigned a grade of “W” or “I,” whichever is deemed appropriate by the faculty member involved.

Temporary Suspension
Whenever a student, because of his/her mental or physical condition, constitutes a danger to persons or property, or when his/her behavior is disruptive to the normal educational processes of the university, he/she may be suspended from the university, for a reasonable period of time, by the Vice Chancellor for Student Life or the Dean of Students. If the university does not withdraw the student in accordance with the procedures outlined above, he/she may return to the university at the end of the suspension period. When a student is temporarily suspended from the university, he/she may be assigned a grade of “W” or “I” whichever is deemed appropriate by the faculty member involved.

DISTRESSED FACULTY AND STAFF PROTOCOL

Office of Disability Services
915 Volunteer Boulevard
2227 Dunford Hall
865-974-6087
865-622-6566 VP
http://ods.utk.edu/
The mission of the Office of Disability Services (ODS) at the University of Tennessee is to partner with the campus community in creating equitable access for eligible students while promoting disability-inclusive diversity. ODS is the office on campus designated to work with students with permanent disabilities or temporary injuries. ODS is responsible for collecting and maintaining disability related documentation, determining appropriate and reasonable accommodations, and assisting with the provision of approved accommodations. ODS is committed to maintaining confidentiality and only releases disability related information per the student’s written request and/or on a strict need-to-know basis should the student’s and/or the campus community’s safety be at risk.
As stated in Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, it is prohibited to discriminate against an individual with a documented disability. Students requesting disability related accommodations are required to submit documentation to verify eligibility as defined by Section 504, the ADA, and in accordance with the documentation guidelines listed on the ODS website. Printed copies are also available at the ODS main office. Documentation must be current, signed, dated, on letterhead, and include medical and/or psychological information from the appropriate certified diagnostician. Students with documented disabilities are strongly encouraged to register with ODS as soon as they have been admitted to the university in order to ensure timely identification and provision of needed accommodations.

Accommodations are determined on a case-by-case basis after reviewing appropriate disability related documentation and meeting with the student. Examples of accommodations include: provision of note takers, additional time for exams and quizzes, alternative testing environment to reduce distractions, books in alternate format (audio, electronic, Braille), ability to record lectures, sign language interpreters, transcribers, priority registration, assistive technology, course substitutions and accessible transportation services on campus. Students requesting disability related accommodations must complete and submit an ODS intake form (online or in the main office) along with all disability related documentation. Once the appropriate ODS staff member reviews and determines the student’s eligibility for permanent or temporary accommodations, the student will receive written notification that their file is complete.

In order to complete the intake process, the student must schedule an intake appointment with the appropriate ODS staff member. During this intake appointment, students will be informed of specific accommodations, as well as the policies and procedures for requesting, using, and informing faculty and staff of the student’s approved accommodations. Each semester, students registered with ODS and requesting accommodations are required to complete and submit the Accommodation Letter Request form located on the ODS website. Printed copies are also available at the ODS main office. To ensure timely provision of approved accommodations, students are strongly encouraged to submit their Accommodation Letter Request forms as soon as they have registered for classes each semester. Students are responsible to schedule a meeting with each classroom professor/instructor to present the Accommodation Letter and discuss their accommodation needs. Students are expected to follow UT, ODS, and classroom policies and procedures. Students are encouraged to communicate with their designated service coordinator on a regular basis and to immediately discuss any concerns or problems regarding their approved accommodations.

Since the construction of the Carousel Theatre in 1951, UT’s theatres have been a vital part of life on the UT campus with over 300 productions, hundreds of movie showings, and numerous presentations. In 1974, a rare blend of professional and educational theatre was created with the formation of the Clarence Brown Theatre Company—a professional company and member of LORT (the League of Resident Theatres). This artistic environment brings professional artists from all over the world to delight East Tennessee audiences and presents students with a wide array of creative opportunities as they work and learn alongside professionals. Tickets and information for all CBT productions are available at the CBT Box Office located in the Main Lobby, on the phone at 865-974-5161, or via the web. Discounts for UT students, faculty, and staff are available. For questions about theatre coursework or administration, call the Department of Theatre (206 McClung Tower) at 865-974-6011.

**The Facilities**
http://clarencebrowntheatre.com/venues
The Clarence Brown Theatre Complex is located between Hess Hall and the Art and Architecture building along the Joe Johnson and John Ward Pedestrian Walkway and houses production and support facilities, classrooms, and three theatres.

**The Clarence Brown Theatre**, is a variable capacity proscenium theatre built in 1970 and dedicated to Clarence Leon Brown, University of Tennessee alumnus and distinguished film director for MGM. The theatre provides seating for up to 578 including accommodations for the physically challenged and listening systems for the hearing impaired.

**The Ula Love Doughty Carousel Theatre**, one of the nation’s first arena theatres, is a flexible space featuring variable seating for up to 400. Located next to the Clarence Brown Theatre, the Carousel Theatre was renamed in October 1991 in tribute to Mrs. Doughty, a devoted patron who has provided for the building’s future.

**The Lab Theatre** is a 100-seat black box venue located inside the Clarence Brown Theatre building. The Lab Theatre is used as a classroom space and provides a home for the Department’s Studio and Lab Project Series—the latter of which offers student groups and organizations opportunities to produce.

**Tutorial Services**
Tutorial services are available to students through a number of sources on campus. A listing of these services can be found in the appendices of this handbook on pages 84-86.

**STUDENT PROGRAMS AND SERVICES FEE**
The following information summarizes the University’s “Policy on a Student Programs and Services Fee,” a copy of which can be found at http://policy.tennessee.edu/bot_policy/bt0011/. The policy takes precedence over the following summary in the event of a conflict.

**PURPOSE OF THE FEE**
The purpose of the SPSF is to advance the University’s educational mission by funding non-instructional services, activities, programs, and facilities that promote student satisfaction and retention or promote the intellectual, physical, emotional, social, cultural, or leadership development of students.

**RESTRICTIONS ON THE USE OF SPSF FUNDS**
Funds derived from the SPSF may be used only to fund the following:

1. expenses relating to student services, activities, and programs organized or operated under the auspices of the Vice Chancellor for Student Life (e.g., operating expenses and equipment; wages, salaries, and benefits);
2. student organized programming;
3. the Student Government Association;
4. student media (e.g., student newspaper, student yearbook) recognized by the campus administration;
5. intercollegiate and intramural athletics;
6. costs of acquiring, constructing, installing, or enhancing any University property or facilities primarily used for non-instructional purposes, including the satisfaction of indebtedness; and
7. operating and maintenance costs of facilities primarily used for non-instructional purposes.

All expenditures of SPSF funds shall comply with University fiscal policies and procedures.

OPTIONAL FUNDING OF STUDENT-ORGANIZED PROGRAMMING
The University allows every student the opportunity to expressly authorize the University to allocate a portion of the SPSF for Student-Organized Programming. Students who choose not to have a portion of their fee allocated to Student Organized Programming will not be eligible for free or discounted student tickets to events funded by that portion of the fee, except for students who are exempt from payment of the SPSF by campus policy or law.

STUDENT PROGRAMMING ALLOCATION COMMITTEE
The Chancellor has established a Student Programming Allocation Committee for the primary purpose of allocating that portion of the fee directed towards Student Organized Programming. The Chancellor determines the number of members of the SPAC. The SPAC is composed of University students and non-student University employees. A majority of the members of the SPAC are non-student University employees, but at least 40 percent of the SPAC shall be composed of University students. The Chancellor appoints the employee members of the SPAC. The Vice Chancellor for Student Life appoints the student members of the SPAC after soliciting and considering the recommendations of the Student Government Association. More specifics regarding SPAC membership and the allocation request process for the SPAC may be found on the Division of Student Life website.

When evaluating allocation requests for Student Organized Programming the SPAC considers the following criteria exclusively:

1. Whether, and to what degree, the program would advance the University’s educational mission by promoting student satisfaction and retention and/or by promoting the intellectual, physical, emotional, social, cultural, or leadership development of students;
2. Whether the request complied with the procedures established the Vice Chancellor for Student Life for the submission of funding requests to the SPAC, including whether the request was timely submitted to the SPAC;
3. Whether the program will be held on campus, and, therefore, will be easily accessible to students (priority shall be given to programs held on campus, unless ongoing construction to University facilities funded by the SPSF substantially impairs the ability of students to hold programs on campus);
4. The clarity of the request;
5. The amount of the request;
6. The total amount of SPSF funds available for allocation by the SPAC;
7. Whether, and to what degree, the request demonstrates that the Campus Student Programming Board or Registered Student Organization has been diligent in determining the anticipated costs of the program;
8. Whether, and to what degree, the funding proposal is fiscally responsible;
9. If applicable, how effectively and efficiently the Campus Student Programming Board or Registered Student Organization used SPSF funds in the past;
10. If applicable, whether the Campus Student Programming Board or Registered Student Organization complied with University policies concerning SPSF funds in the past;
11. If a Registered Student Organization, whether, and to what degree, the program is relevant to the Registered Student Organization’s purpose, as described in the Registered Student Organization’s constitution on-file with the University;
12. Whether the proposed program is substantially similar to a program that was funded by the SPSF (or the former fee known as University Programs and Services Fee at the University of Tennessee, Knoxville) and organized by any Registered Student Organization within the past two (2) years;
13. Whether the proposed program duplicates, in whole or in part, separate services or programs offered by other Registered Student Organizations, but this criterion shall not prohibit Registered Student Organizations from collaborating and submitting a joint funding request to the SPAC; and
14. Whether the proposed program duplicates, in whole or in part, services or programs offered by an academic, administrative, or auxiliary department or division of the University.

The viewpoint of a registered student organization or of the speaker(s) included in a proposed program shall not be considered by the SPAC when making a funding decision. Student Organized Programming funded by
the SPAC must be open to attendance by all students who authorized the allocation of a portion of their SPSF funds for Student Organized Programming or who are exempt from payment of the SPSF by campus policy or law.

A Campus Student Programming Board or Registered Student Organization may appeal the SPAC’s decision to deny funding in accordance with the procedures set forth in the Policy on a Student Programs and Services Fee.

**DEFINITIONS**
The following definitions apply for the purposes of this summary:

1. The term “Campus Student Programming Board” means the Central Program Council and the Black Cultural Programming Committee.

**STUDENT ORGANIZATIONS**

UT is proud to offer opportunities for students to meet new friends and affiliate with others who provide support as well as an opposite point of view. Whether it be Greek letter organizations, academic support clubs, religious ministries, sport clubs, or student groups focused on community/campus service, there is something for everyone at UT. Approximately 400 student organizations are available for students to get further involved.

Please visit http://go.utk.edu for a comprehensive listing and get involved today!

**UNIVERSITY LIABILITY**

Student organizations, although registered or otherwise permitted to operate on or near university property and even though required to conform to certain prescribed university procedures in some cases, are not in any way or manner operated under the general supervision of the University or its Trustees, officers, administrators, or employees. Neither the University nor any of its Trustees, administrators, officers and employees are in any way or manner liable for acts or failures to act on the part of such organizations. It is especially noted that the University is not responsible for bodily harm or death to participants in voluntary organizations or activities.

**CATEGORIES OF STUDENT ORGANIZATIONS**

With the exception of social fraternities and sororities whose relationship with the institution requires a more detailed and exacting peer and administrative review, any group of students may seek to register as either a Continuing or Temporary Registered Student Organization.

**Continuing Registered Student Organizations**

Any group of at least (ten) 10 students meeting the requirements contained herein and whose purpose for existing is presumed to endure beyond ninety days is considered a Continuing Registered Student Organization.

**Temporary Registered Student Organizations**

Any group of at least (ten) 10 students meeting the requirements contained herein and whose purpose for existing is presumed to be less than 90 days is considered to be a Temporary Registered Student Organization.

**Student Political Parties**

Any group of at least (ten) 10 students meeting the requirements contained herein and whose purpose for existing is presumed to endure through elections for the Student Government Association will be considered a Student Political Party.

**Department Sponsored Organizations**

These are registered student organizations that are advised and supported by a campus department. In these cases, the student organization works with the department in a direct way in fulfillment of the department mission. Examples include: the Central Programming Council, Black Cultural Programming Committee and the UTK Ambassadors.

**Sororities and Fraternities**

Any group seeking to establish a social fraternal organization on campus must contact either the Office of Sorority and Fraternity Life for procedures and policies relative to this action. Registration is granted by the Chancellor on the recommendation of the Student Life staff. Withdrawal of registration of social fraternal organizations may be initiated by the University administration or the respective governing body with the final decision being the responsibility of the University administration.
Social fraternities and sororities shall not be required to reveal their secret rituals provided these rituals do not conflict with local, state or federal law or with University regulations.

ADVISORY COMMITTEE ON STUDENT ORGANIZATIONS
The Center for Student Engagement shall utilize an Advisory Committee on Student Organizations (ACSO) in the procedural review of constitutions of proposed organizations. The ACSO may also formulate and recommend rules, regulations, and policies regarding registered student organizations.

Matters pertaining to policies within an organization shall be the concern of the organization and its advisory council. Matters pertaining to the relationship of an organization to other organizations or to the University shall be the concern of the ACSO.

Student members of the ACSO shall be appointed by the President of the Student Body with the approval of the Student Government Association. A member of the Center for Student Engagement staff will serve as a committee advisor and liaison to that department.

Registration Policy
At The University of Tennessee, voluntary associations of students are an important part of the educational process. The University has a positive responsibility to encourage such associations as a means by which students can learn and develop outside the classroom. In doing so it neither endorses nor disclaims any particular idea, system of thought or point of view.

When groups of students wish to have a continuous association causing them to congregate for activities on the campus, requiring from time to time the use of the University facilities and holding themselves out to the general public as a group centered on the campus, it is proper that they be registered by the University. All registered associations shall be accorded the same privileges and bound by the same obligations. Registration by the University does not constitute endorsement of the purposes or activities of an association by the faculty, administration, or student body.

Registration Process
Prior to beginning the registration process to form a new student organization, interested students are required to schedule a brief meeting with a designated staff member in the Center for Student Engagement. The purpose of this meeting is to fully inform students of University policies and procedures pertaining to organizations, as well as to discuss the registration and approval process. It is recommended that this meeting take place before a student submits information to begin the new student organization registration process. However, at the latest, this meeting must occur before a proposed organization can be voted upon for approval by the Advisory Committee on Student Organizations (ACSO).

New organizations may begin the registration process by submitting the New Student Organization Application found at (http://go.utk.edu). Organizations are required to submit a constitution along with their application. Local chapters of regional or national organizations will be required to submit their local constitution and, in addition, any statements of their parent organization to which their local constitution refers or which determine local policy above and beyond that which is stated in the local constitution. The local constitution must contain the following:

1. Name of the organization:
The phrase “The University of Tennessee” is regarded as a trademark and consequently cannot precede the name of a campus organization; however, the phrase may follow the name, e.g., Chess Club at The University of Tennessee.

2. Statement of purpose:
Said purpose must include aims and activities legal under local, state, and federal law, and this statement of purpose must be in conformity with written University regulations. It is required that the actual purpose of a student organization conform with the purposes stated within the organization’s constitution.

3. Membership eligibility requirements:
Registered student organizations, including those affiliated with an extramural organization, shall be open to all students - unless the organization, by its nature, exists explicitly for a certain subgroup - in selecting its membership. There must be no discrimination with regard to race, color, national origin, sex, pregnancy, marital status, sexual orientation, gender identity, age, physical or mental disability or covered veteran’s status. This statement must appear verbatim in organization constitutions.

4. Officers:
Officers must be full-time students, except for organizations where membership is composed of both faculty and student members, and a faculty member may serve as an officer. To be eligible to serve as an officer of a registered student organization, a student should be in good academic standing at the time of his/her election or appointment and during his/her term of
office. In addition, a student may be judged ineligible for the office if found responsible for violating a University Standard of Conduct. When an election is held in a registered student organization, the names of the new officers must be updated online in the Student Organization System (http://go.utk.edu) within one (1) week.

5. Statement of the terms of officers and the time and method of election

6. Frequency of meetings

7. Financial Statement:
A statement of any membership dues, including amount and frequency of payment as well as a process for receipting; an agreement that all funds will be received and disbursed through the Student Organizations Business Office if the organization receives Student Programs and Services Fee Funds; and a provision for the disposition of funds remaining in the event of the dissolution of the group must be included.

8. Provisions for a faculty or staff advisor:
All registered student organizations must choose one or more advisors, and a provision for this selection must be included in the constitution, but the name of the advisor(s) should not be listed. Except for local chapters of national social fraternities and sororities, which may have alumni advisors, the advisor shall be a fulltime faculty or staff. In procuring an advisor, questions regarding faculty or staff status should be referred to the Center for Student Engagement. Advisors are responsible for being familiar with the constitution and purposes of the student organization they are advising and with University policies regarding student organizations. Advisors may counsel their organization in the exercise of responsibility, but they do not have the authority to control the policy of the organization. The officers of the organization are responsible for keeping their advisors aware of the policies and actions of their organization. Financial records must be available to the organization’s advisors at all times.

A listing of the names and titles of all officers as well as the names of at least ten (10) petitioning members shall be submitted with the organization’s application via the student organization system found online (http://go.utk.edu). The ACSO will review the constitution and any other information available in order to determine whether the organization conforms to the policies and regulations established for the registration of student organizations.

Recommendation for Registration
If the ACSO determines that the organization should be registered, it will make a recommendation to the Dean of Students in writing and inform the petitioning group by email. The group may begin operation ten (10) days after receipt of the email unless notified in writing that the Dean of Students has rejected the recommendation. All petitioning groups are allowed five organizational meetings in University facilities within 90 days of submitting the application and prior to action of the ACSO.

Denial of Registration
A refusal by the ACSO to recommend registration of a student organization or a refusal by the Dean of Students to register an organization must be based on one or more of the following grounds:

1. The statement of purpose is illegal under local, state, or federal laws or does not conform with written University regulations.
2. The organization would, in the opinion of the ACSO or the Dean of Students, constitute a danger to the continued or proper functioning of the University.

Terms of Registration
An updated list of registered student organizations is available online (http://go.utk.edu). Organizations must update their information including:

1. Names of current officers;
2. Complete membership roster;
3. Name and contact information of the current organization advisor
4. An updated organization constitution.

The annual update form is located found at (http://go.utk.edu). Failure to update information with the office of the Dean of Students may result in a student organization losing its active status and all rights and privileges such status entails. A student organization may be removed from the list of registered student organizations by the ACSO or the Dean of Students if:

1. The organization does not show a reasonable amount of activity in promoting the ends and purposes specified in its constitution, as evidenced by membership meetings and other activities. Student organizations are expected to comply when requested to provide a brief report on their year’s activities.
2. The organization violates University regulations, including those governing student organizations, or local, state, or federal laws.
Appeals
Any decision by the Dean of Students refusing to register an organization or any decision by the ACSO to withdraw registration from an organization may be appealed to the Student Life Council by the affected organization. In addition, any decision by the ACSO to refuse to withdraw registration from an organization upon request by the Dean of Students may be appealed by the Dean of Students to the Student Life Council. When a decision by the ACSO or the Dean of Students is appealed, the Student Life Council shall abide by the following procedures in hearing the appeal:

1. The ACSO or Dean of Students (depending on whose decision is being appealed) has the burden of proving the charges against the organization, including the presentation of a detailed statement of why the organization should be denied registration or registration should be withdrawn under the University’s policy governing student organizations.

2. The organization may be represented by an advisor of its choice.

3. The organization may present a defense against the charges. A copy of the charges must have been provided to the organization a reasonable time in advance of the hearing, along with all information available to the ACSO or the Dean of Students in drawing up the charges.

It is recognized that the By-Laws of The University of Tennessee as adopted by the Board of Trustees require the approval of the Chancellor on any action of the Student Life Council.

Affiliations
Registered student organizations may be affiliated with an off campus organization, where such affiliation is:

1. Clearly indicated, either by the title of the organization or its constitution at the time of registration, or by specific statements in connection with any activities growing out of a later affiliation.

2. Consistent with the purposes set forth in the constitution.

3. Not such as to change significantly the nature of the organization as primarily an association of students on campus. Affiliation with an extramural organization does not of itself affect the right of a student organization to operate on the campus. When seeking registration, the student organization must make clear those obligations imposed on the local chapter by extramural affiliation.

4. When there is a conflict between the policies and procedures of the extramural organization and those of the University (e.g., policies pertaining to membership eligibility or voting privileges), the obligation of the student organization is to the University and its policies.

Organization Email and Website Accounts
Organizations are eligible to submit information requesting a student organization email and website (UNIX) account through the OIT website at (https://oit.utk.edu/accounts/forms/Pages/default.aspx). STUDENT GOVERNING BODIES AND ORGANIZATIONS
Student organizations which are considered to be governing bodies are those which possess executive, legislative and judicial functions over the students or student groups.

Student Government Association
315E University Center
865-974-2377
http://sga.utk.edu

The Student Government Association is a body comprised of students pursuing the betterment of this institution so that all members of the University community are beneficiaries of the opportunities and advantages available in an environment conducive to growth. SGA exists to provide the student body with a means to deal with the affairs of students and as a forum for the expression of student views concerning student life within the University.

There are three coequal legislative branches within the Student Government Association: the Student Senate, the Graduate Student Senate, and the Freshman Council. There are also Executive and Student Services Branches of the SGA. The Executive Branch consists of the President, Vice President, Student Services Director, and other cabinet members. The Student Services Branch consists of the Directors and members of seven Student Services Committees. All legislative and executive decisions are made in consultation with and subject to final actions and decisions by the Chancellor,
President, and the Board of Trustees of The University of Tennessee.

**Student Senate**
The Student Government Association’s Student Senate is a governing body of over seventy undergraduate students that represent the interests and well-being of all students at the University of Tennessee. Each academic college and residence hall has representatives elected by their fellow students in the annual Student Government Association elections, which are held each Spring. SGA Senators are required to research and write at least one piece of legislation in an academic year which are then voted on by Senators. The Senate participates in the establishment of policies and regulations regarding areas of primary interest to student members of the University community including, but not limited to, those related to academics, the regulation of student conduct, student housing, food services, student activities and organizations, non-academic student facilities, and disciplinary appeal procedures. In addition to being members of other university-wide organizations, Senators are also required to serve on one of the many SGA Student Services Committees. Senators serving on Student Services Committees may be nominated and elected by the Senate, to serve as liaisons where they will promote effective legislation. Senate meetings are held bi-weekly and are open for all students to attend.

The Freshman Council exists to provide a forum to voice freshman opinions; to participate in Student Government and campus-wide activities; to inform freshmen of all the operations of the SGA; and to communicate freshman concerns directly to the SGA. The group works on legislative issues concerning the freshman class, as well as planning and participating in various philanthropic and social events throughout the year.

**Student Services**
The Student Services of SGA is composed of nine committees that focus on the many facets of university life. These committees are a great way for all students to get involved with SGA. With biweekly meetings they are able to coordinate and implement many programs and events on campus and in the Knoxville community. The seven committees are as follows:

**ACADEMIC AFFAIRS**
The primary focus of the Academic Affairs committee is to research and resolve student concerns regarding academics at the University by working closely with the Deans of each college.

**DIVERSITY AFFAIRS**
This committee strives to bridge the gaps that are found across campus and help coordinate events that celebrate our diverse and unique student body.

**ENVIRONMENT AND SUSTAINABILITY**

The GSS participates in the establishment of policies and regulations relating to the graduate program, in consultation with and subject to the final approval of the Dean of the Graduate School and the aforementioned University officials. The GSS shall also make recommendations to appropriate decision-making officers in matters concerning graduate and advanced professional students. Each academic department offering a graduate or professional degree has a representative in the GSS, chosen by fellow students through internal elections, while the GSS President and Vice President are elected in the annual Student Government Association elections. The voting membership of the GSS consists of the President and Vice President plus representatives from each academic graduate program, the College of Law, and the College of Veterinary Medicine. GSS has representatives on various university-wide committees including the Graduate Council.
